The Energy and Environment Cabinet is charged with the protection and preservation of land, air and water resources as well as creating efficient, sustainable energy solutions. The Cabinet has three departments: Environmental Protection, Natural Resources, and Energy Development and Independence. Attached for administrative purposes are the Mine Safety Review Commission, the State Nature Preserves Commission, and the Public Service Commission.

A Secretary appointed by the Governor heads the Cabinet. The Secretary is responsible for leadership, monitoring trends and shaping a vision for the future of Kentucky's energy platform and environment.

The Office of the Secretary formulates and executes Cabinet policies based on administration priorities, state and federal statutes, regulations and legislative initiatives. The Office of the Secretary responds to concerns of the general public and initiates public information and education efforts.

The Office of Legislative and Intergovernmental Affairs is responsible for communicating programmatic and policy information to stakeholders including the legislature and local governments.

The Office of Legal Services provides litigation and other legal services for the Cabinet.

The Office of Administrative Hearings conducts administrative appeal hearings and issues recommended orders for review by the Secretary.

The Division of Water, pursuant to KRS Chapters 146, 149, 151, 220, 223, 224, 224A, 261, 350.029, 350.275 and federal law including PL 92-500 as amended (the Clean Water Act) and 92-523 as amended (the Safe Drinking Water Act), is responsible for administering programs for: ensuring a safe drinking water supply, water quality planning and monitoring, stormwater management, dam safety, groundwater protection, wastewater treatment and sewer line construction, water conservation, and regulation development.

The Division administers programs relating to groundwater protection plans, Total Maximum Daily Load Plans, the Non-Point Source 319(h) Grant program, watershed management, dam safety inspections, floodplain management, 401 Water Quality Certifications, water quality standards, water quality monitoring and assessment, Clean Water and Drinking Water State Revolving Loan programs, Kentucky Pollution Discharge Elimination System permitting, confined animal feeding operations compliance, and logging operations.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund debt service in the amount of \$424,500 in fiscal year 2018-2019 and \$849,000 in fiscal year 2019-2020 to support new bonds as set forth in Part II, Capital Projects Budget.

The Division of Waste Management, pursuant to KRS 224, administers programs that regulate the generation, transportation, storage, treatment, and disposal of all hazardous and solid wastes in the state. Additional responsibilities include resources use and recycling initiatives, technical assistance to counties, and solid waste management districts to facilitate compliance with 401 KAR, Chapter 49. The Division is also responsible for investigation and restoration duties at abandoned hazardous waste disposal sites and citizen education concerning waste management issues. The Division also administers the Voluntary Environmental Remediation Act and the Certified Clean Counties initiative.

Pursuant to KRS 224.43-505, the Division manages the Kentucky Pride Fund, which encourages proper solid waste management in Kentucky through waste reduction, recycling, proper closure of abandoned landfills, education, proper collection and disposal of solid waste, elimination of illegal open dumps, and abatement of litter.

Maxey Flats, once a low-level nuclear waste disposal site and closed in 1977, was designated to be in its Final Closure Period as of November, 2012. This includes the installation of a permanent vegetative cap, permanent surface water control features, and surface monuments to identify the location of buried waste. This project was funded in the 2012-14 biennial budget from private funds paid into a trust fund by the Private Settling Parties and from General Fund supported bonds. The final cap was substantially completed in November, 2016. The Commonwealth of Kentucky assumed ownership and responsibility for the toxic site in 1978, and is responsible for long-term monitoring and maintenance activities of the site in perpetuity. Ongoing monitoring and maintenance is funded from the General Fund.

The Division of Air Quality is responsible for the identification and implementation of measures necessary to achieve and maintain ambient air quality standards as mandated by the federal Clean Air Act and KRS 224.10-100. The Division accomplishes its mission through air quality monitoring, permitting, source inspections and enforcement to ensure compliance with air pollution laws and regulations.

The 1990 Clean Air Act Amendments imposed new permitting requirements to protect air quality. Federal law requires that an emission fee be levied on facilities with significant air pollutants to fund the implementation of the new requirements. If a state does not have continued authorization, the fee will be collected by the U.S. Environmental Protection Agency to fund a federal permitting program. The Division has been granted authority to enforce portions of the Clean Air Act in the Commonwealth. Under that authority the Division operates the Title V Operating Permit Program, and costs associated therewith are funded through emission fees assessed pursuant to the Clean Air Act and KRS 224.20-050.

The Division of Environmental Program Support provides support to the Department in the areas of laboratory services, personnel, budget, information technology and overall administration. The Division provides centralized laboratory testing for the Department. The Division also supports and directs the activities of the Environmental Response Team and is responsible for the cabinet's twenty-four (24) hour environmental response line. Activities are conducted pursuant to KRS 224.10-100(7).

The Department for Natural Resources' mission is to preserve, protect, and enhance the Commonwealth's natural land resources.

The Department oversees activities and programs related to forestry, conservation, mining, oil and gas, and land preservation. The Department, through its divisions and partnerships, provides technical assistance, educational programs, and funding to assist the general public, landowners, institutions, industries, and communities in conserving and sustaining Kentucky's natural resources. In addition, the Department is responsible for the inspection of timber harvests, mining operations, and oil and gas wells to ensure compliance with laws that protect the public, the environment, and Kentucky's coal miners.

In accordance with KRS 149 the Division of Forestry provides technical assistance on sound forest management practices; provides forest stewardship assistance to private landowners; assists timber operators and wood-using industries; grows and distributes tree seedlings at low cost for timber production; and provides urban and community forestry technical assistance to provide sustainability of the Commonwealth's 11.9 million acres of forestland.

The Division enforces the Kentucky Forest Conservation Act (149.330 – 149.355); the Division is responsible for inspecting logging operations and enforcing compliance with the Kentucky Master Logger Program and Best Management Practices to protect water quality. In addition, the Division maintains an inventory of Kentucky's forests. The Division provides administrative oversight to the Forestry Best Management Practices Board.

The Kentucky Division of Forestry is mandated to provide wildland fire protection for the Commonwealth. The Division has established a statewide system of wildland fire prevention, detection and suppression.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund in the amount of \$2,260,000 in each fiscal year for the Division of Forestry for costs that were previously considered a necessary government expense. Expenses that exceed this amount will be considered a necessary government expense and shall be paid from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705).

The Division of Technical and Administrative Support, pursuant to KRS 224.10-020, provides general support to all divisions and programs in the Department for Natural Resources. The Division is responsible for the development, coordination and implementation of all administrative processes within the Department including fiscal affairs, human resources, property management, purchasing, and state and federal program administration. The Division provides technical expertise to develop and implement state and federal regulations relating to surface mining, abandoned mine lands, oil and gas conservation, mine safety, forestry, and conservation. The Division also coordinates information technology processes and applications within the Department in accordance with cabinet, state, and federal guidelines.

The Division of Conservation provides assistance to Kentucky's 121 conservation districts in the development and implementation of sound conservation programs to protect, enhance, and develop the Commonwealth's natural resources.

The Division administers the Kentucky Soil Erosion and Water Quality Cost Share Program and the Kentucky Soil Stewardship Program to help agricultural operations protect and preserve Kentucky's soil and water resources. The Division provides administrative services to the State Soil and Water Conservation Commission. The Division and the conservation districts provide educational opportunities to promote conservation of Kentucky's natural resources. These programs mitigate soil erosion, and other environmental problems associated with agricultural, woodland and construction operations which impact water quality.

Policy

The <u>Budget of the Commonwealth</u> provides Phase I Tobacco Settlement Funds in the amount of \$2,500,000 in each fiscal year for the state share of the Environmental Stewardship Program.

The <u>Budget of the Commonwealth</u> provides Phase I Tobacco Settlement Funds in the amount of \$907,300 in each fiscal year for the Division of Conservation to provide direct aid to local conservation districts.

The <u>Budget of the Commonwealth</u> provides Phase I Tobacco Settlement Funds in the amount of \$350,000 in each fiscal year for the nonfederal match for the Green River Conservation Reserve Enhancement Program.

The Division of Oil and Gas, pursuant to KRS Chapter 353, is responsible for the conservation of oil and gas resources of the Commonwealth and for the protection of correlative rights of mineral owners. The Division's mission is to prevent waste and unnecessary loss, to encourage the maximum recovery of oil and gas, to promote safety, and to prevent contamination of underground water resources. The Division is also charged with the collection of geological data obtained from the drilling of oil and gas wells for deposit in the Kentucky Geological Survey whose records are for public use. The Division is also responsible for the plugging of abandoned wells.

The Division of Mine Permits, pursuant to KRS 350 and 405 KAR Chapter 8, reviews all surface mining permit applications in accordance with Kentucky law and the federal Surface Mining Control and Reclamation Act. The Division, pursuant to KRS 350.450 and 405 KAR 7:080, administers the federal Small Operator Assistance Program and pursuant to KRS 350.610, the Lands Unsuitable for Mining program. The Division, pursuant to KRS 350.060(13) and 405 KAR 8:040, also reviews underground mining permit applications to determine the surface effects of such operations.

The Division of Mine Reclamation and Enforcement, pursuant to KRS 350, develops policies and procedures for reclamation and enforcement programs related to coal and non-coal minerals. The Division reviews permit applications for non-coal mineral operations pursuant to KRS 350.028 and 405 KAR 5:032. The Division conducts inspection programs to carry out these policies and procedures in accordance with applicable federal and state statutes. Pursuant to KRS 351 and 805 KAR Chapter 4, the Division is charged with ensuring the safety and regulation of all blasting operations within the Commonwealth, which includes the use, storage or transportation of explosives. The Division investigates citizens' complaints relating to surface mining and blasting activities.

The Division of Abandoned Mine Lands administers abandoned or unreclaimed land reclamation activities on previously surface-mined land or land used in connection with surface mining under Title IV of Public Law 95-87 and/or KRS 350.550 to KRS 350.597.

The division administers a bond forfeiture reclamation program; bonds forfeited to the commonwealth due to the failure to mine and reclaim a coal mine site to the standards specified by the mine permit are used by the state to reclaim the site for which the bond was posted.

The division administers a water supply replacement program which extends waterlines into areas where drinking water has been contaminated by past mining. The division budgets up to 30 percent of its annual funding on waterline projects each year. Federal funds for this program are provided from federal tax levies imposed under Public Law 95-87 on all coal mined since August 3, 1977. Approximately 150,000 acres of abandoned mine lands in Kentucky are eligible for reclamation. All state and partial federal project contracts are administered by this agency.

The Division of Mine Safety, pursuant to KRS Chapter 351, is responsible for the regulation of mining practices to prevent injuries and fatalities in underground, strip, and auger mines.

The Division trains, tests, and licenses mine personnel. Mine safety instructors provide general and technical safety training and education courses to mine personnel to maintain an adequate number of certified and qualified personnel for the mining industry. Moreover, the agency encourages safe work habits of coal miners by providing quality on-the-job, one-on-one safety training for surface and underground miners.

The Division licenses all underground and surface coal mines in the Commonwealth. It issues permits for specific mining methods including the use of diesel equipment, roof control, extended cuts, mining near oil and gas wells, and additional mine openings. The agency inspects mines and investigates illegal mining operations.

The Division develops and maintains a database to track information about each mining operation. The database includes the number of miners employed by the mine, type of operations, type of worker's compensation insurance, and the number and type of mining law violations, closures, and abatements for each mine and mine operator. A second database provides information on all individuals certified as surface mine foremen, surface mine safety analysts, underground mine foremen, underground mine instructors, underground mine inspectors, and electrical inspectors.

The Division administers drug testing of all miners as a condition of certification. A database is maintained on the status of those miners whose certifications have been revoked as a result of testing positive for drugs. The Division provides administrative oversight of the Kentucky Mining Board.

Federal Law 30 CFR, Section 49, requires mine rescue teams to be stationed within one hour of each active coal mine and to be trained and knowledgeable about each mine the team covers. The Commonwealth, through the Division of Mine Safety and Licensing, provides state-sponsored mine rescue teams to help Kentucky's mines comply with this federal regulation.

TOTAL EXPENDITURES

The Abandoned Mine Lands Bond Pool Reclamation Fund, pursuant to KRS 350.595, provides the additional money necessary to reclaim permitted mine areas. In the event that an entire bond is not needed to complete the required reclamation on a permit, the remaining balance is deposited into the Fund.

The Office of Reclamation Guaranty Fund, pursuant to KRS 350.500-350.521, provides the additional money necessary to reclaim permitted mine areas. In the event a permit-specific reclamation bond is insufficient to complete reclamation on the permitted mine site, the Fund provides financial assistance to the cabinet for reclamation.

The Abandoned Mine Lands (AML) Reclamation Projects program in the Department for Natural Resources receives 100 percent federal funding for the reclamation of certain mine sites that have been abandoned or left unreclaimed under Title IV of Public Law 95-87 or KRS 350. If the Commonwealth does not maintain an approved AML Reclamation program, federal funds allocated for reclamation projects within Kentucky may be reallocated to other coal-producing states. The Department reclaims abandoned mine sites through a priority ranking system based on human health and safety considerations.

The Mine Safety Review Commission, pursuant to KRS Chapter 351, protects the health and safety of coal miners by ensuring the enforcement of mine safety regulations. Its three members, appointed by the governor, conduct hearings on drug and safety violations and impose penalties for serious violations. The Commission has the power to probate, revoke or suspend a mine's license or an individual miner's certification and fine certified miners up to the equivalent of wages for ten working days for their first offense.

The Commission is an independent agency attached to the Energy and Environment Cabinet for administrative purposes only.

The Department for Energy Development and Independence is comprised of the following divisions: Division of Efficiency and Conservation; Division of Renewable Energy; Division of Biofuels; Division of Carbon Management and Data Analysis; Division of Energy Generation, Transmission, and Distribution; and Division of Fossil Energy Development.

The Department oversees the development and implementation of Kentucky's comprehensive energy strategy, *Intelligent Energy Choices for Kentucky's Future*. The Department provides leadership to enhance the benefits of energy efficiency and alternative energy through supporting awareness, technology development, energy preparedness, partnerships and resource development. The Department also enhances the economic opportunities and benefits to Kentucky's citizens and industry by expanding current markets and developing market opportunities for Kentucky coal, natural gas, petroleum, oil shale, tar sands, liquid and gaseous fuels from coal, and chemicals from coal.

To the extent that funding is available, the Department administers grant programs to support energy-related research, development and demonstration, including supporting multi-state cooperative regional partnerships and research initiatives. The Department develops and implements programs for the production, utilization and conservation of energy in a manner that meets basic needs while maintaining Kentucky's economic growth at the highest feasible level.

The Department enters into agreements, administers grant programs and serves as a liaison with the federal government and other states in matters relating to energy; and participates in the review of applications, and upon request of the Kentucky Economic Development Finance Authority, assists in monitoring tax incentive agreements as provided in Subchapter 27 of KRS 154.

Pursuant to KRS 146.410-146.530, the Kentucky State Nature Preserves Commission's mission is two-fold: to inventory the Commonwealth for its natural diversity, including its plants, animal life, biological communities, and areas of natural significance, and to protect these natural features by establishing a system of nature preserves. Pursuant to KRS 224.10-022, the Commission is attached to the Energy and Environment Cabinet.

Acquisition and management funds for the agency are derived through a tax refund check-off system authorized in KRS 141.450-141.480, through gifts, grants, devises and bequests pursuant to KRS 146.465, and through allocations from the Kentucky Heritage Land Conservation Fund pursuant to KRS 146.570. The Commission, together with the Kentucky Department of Fish and Wildlife Resources, shares equally the receipts generated by the Non-game Species Protection and Habitat Acquisition program.

The Commission is responsible for administering the Wild Rivers program. Whose mission is to preserve the Commonwealth's natural streams and attract out-of-state visitors pursuant to KRS 146.200-360.

The Public Service Commission, pursuant to KRS Chapter 278, regulates the intrastate rates and services of over 500 investor-owned electric, natural gas, telephone, water and sewage utilities, rural electric and telephone cooperatives, and water districts. The three-member Commission performs its regulatory functions through written orders following adjudicative and rulemaking procedures outlined in statute. The Commission is an independent agency attached to the Energy and Environment Cabinet for administrative purposes only.

The Commission's goal is to ensure that every utility charges fair, just, and reasonable rates for the services rendered and that those services are adequate and efficient.

The agency is funded by an assessment of all utilities under the Commission's jurisdiction based on the annual gross intrastate revenues.

The Commission staff is organized into the Divisions of Inspections, General Counsel, General Administration, Commission Operations, Financial Analysis, and Gas Pipeline Safety.

Policy

The <u>Budget of the Commonwealth</u> includes \$6,485,200 in each fiscal year that shall lapse to the credit of the General Fund from the Public Service Commission.

The Finance and Administration Cabinet is responsible for managing the financial resources of the Commonwealth and for providing central administrative services to agencies of state and local government. The mission of the Finance and Administration Cabinet is to provide its customers with assistance in the delivery of quality services, effective administration, and sound financial management. The Cabinet provides leadership, coordination, and support to other state agencies to ensure accountability and integrity in the use of public resources. The Finance and Administration Cabinet constantly strives to conduct government business more effectively. Moreover, among the highest priorities of the Cabinet is providing state government with the resources necessary to carry out its mission by equitable and efficient revenue collection.

The Cabinet's duties include construction of state facilities, property management including motor vehicles, tax administration and collection, management of the Commonwealth's information technology systems, expenditure control, and state purchasing.

The General Administration appropriation unit provides coordination and management of the Cabinet. It is comprised of the Office of the Secretary, Office of Public Information, Office of General Counsel, Office of Equal Employment Opportunity and Contract Compliance, Office of Policy and Audit, and Office of Administrative Services.

The Office of the Secretary, including the Office of Public Information, develops executive policy and directs the overall management of the Commonwealth's property and financial assets. Office staff coordinates fiscal and personnel administration for the Cabinet, reviews all internal reorganizations, prepares the Cabinet legislative package, and handles inquiries and issues that arise from the General Assembly, the news media, and the general public. The Secretary of Finance serves on numerous boards and commissions including the Kentucky Economic Development Partnership Board, the Kentucky Economic Development Finance Authority, the Kentucky Infrastructure Authority, the Kentucky Higher Education Assistance Authority, and the Kentucky Housing Corporation.

The Office of Equal Employment Opportunity (EEO) and Contract Compliance is responsible for developing, implementing, and monitoring the Finance and Administration Cabinet's affirmative action plan as required by KRS 18A.138. The Office also monitors all contracts in excess of \$250,000 awarded by the Cabinet to ensure compliance with the affirmative action provisions of the Kentucky Equal Opportunity Act.

The Office of General Counsel provides legal services to the departments of the Finance and Administration Cabinet and Cabinet-related entities. Members of this office represent the Secretary of the Cabinet in civil litigation. The unit also reviews legislation being considered by the General Assembly.

The Office of Administrative Services manages personnel, fiscal policy, and payroll functions for all units within the Finance and Administration Cabinet, the Governor's Office, the Executive Branch Ethics Commission, the School Facilities Construction Commission, and the Lieutenant Governor's Office. This unit prepares the Cabinet's budget and manages the Cabinet's personal property inventory. The Office also has responsibility for the management and oversight of the Division of Postal Services and the Division of Fleet Management.

The Division of Postal Services has recently consolidated from five locations into one mail management center which provides a more secure environment for the Commonwealth's mail. The Division provides messenger service to all state agencies and performs mail processing functions for over 125 state agencies. This division advises agencies about USPS rules, regulations, and services.

The Division of Fleet Management manages and maintains the Commonwealth's vehicle fleet for use by state agencies and employees.

The Office of Policy and Audit is responsible for assuring the reliability and integrity of information used to support management decision making, evaluating how state assets are safeguarded, providing risk and insurance management to the Cabinet, and appraising the economy and efficiency of resource use. Staff also ascertains whether the operations and programs are being implemented as planned, and performs special studies at the request of management.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund in the amount of \$220,000 in fiscal year 2019-2020 in support of the Gubernatorial Transition.

The Office of the Controller provides management for financial accounting control policies and procedures; financial accounting systems; debt management; state purchasing; administration of the Old-Age, Survivors, Disability and Hospital Insurance program; and functions relating to the county fee systems for local entities. The State Controller functions as the Commonwealth's Chief Accounting Officer and participates in the development and maintenance of the Commonwealth's strategic financial management program.

The Division of Local Government Services administers, for the benefit of state employees and political subdivisions within the Commonwealth, the Old Age and Survivors Insurance program under Section 218 of the federal Social Security Act. This program is responsible for ensuring that the social security obligations of the state and its political subdivisions are met. To fulfill this responsibility, the State Office for Social Security periodically visits each of the political subdivisions for a procedural, compliance, and fiscal audit pursuant to KRS 61.410 61.500. The Division also provides personnel, accounting, and other administrative services to counties through the County Costs, County Fees, and PVA programs.

The Division of Statewide Accounting Services is responsible for maintenance and operation of the central statewide accounting system and provides centralized accounting of all receipts and disbursements of the Commonwealth. In addition, this division prepares daily, monthly, and annual financial reports, which constitute a complete report of the financial activities and condition of the Commonwealth.

The Office of Financial Management manages the state's investments and debt. This includes managing cash flow to maximize the return on state investments, making debt service payments, managing the sale of bonds, and reporting to the General Assembly on all investment and debt matters. The Office is responsible for developing a long-term debt plan for the Commonwealth, including the development of criteria for the issuance of debt, providing an evaluation of how much total state debt is justified, and evaluating revenue projections relative to proposed revenue bond issues. The Office

handles all investments on behalf of the General Fund, the Capital Construction Fund, the Road Fund, and approximately 50 other accounts.

The Office of Material and Procurement Services is responsible for the central purchasing and materials management for state government (excluding construction and road maintenance). The Office supports the Procurement software module of eMARS, designing and testing modifications to the software to ensure it meets the needs of user agencies. The Division of Goods and Services Procurement and the Division of Technology Services Procurement are responsible, with respect to their area of expertise, for purchasing all commodities and non-professional services for state agencies that exceed an agency's small purchase authority limit. The office also provides administrative oversight and review of all personal service contracts and Memoranda of Agreement, and ensures compliance with the provisions of KRS Chapter 45A prior to forwarding contracts to the Legislative Research Commission, Government Contract Review Committee, for review.

The Office of the Customer Resource Center (CRC) operates a help desk to support nearly 5,000 users of the eMARS system and is responsible for training Commonwealth employees on all eMARS products. In addition, CRC is responsible for developing and analyzing reports to identify areas that need improvement.

The Division of State Risk Services manages the state property insurance program, the state building sprinkler system program and the state automobile insurance program in accordance with KRS Chapter 56.

Policy

The <u>Budget of the Commonwealth</u>, in House Bill 487, suspends the provisions of KRS 47.010(1), and directs any revenue derived from the establishment of statewide Master Agreements by the Office of Procurement Services to a Restricted Fund account to be used to administer the program.

Executive Order 2016-602, now codified in KRS 42.0147, established the Office of the Inspector General. The Office is responsible for conducting various investigations within the Executive Branch pursuant to KRS 45.131.

The Division of Special Investigations is responsible for investigating alleged violations of the tax laws and for recommending criminal prosecutions of the laws when warranted.

Previously authorized State Property and Buildings Commission General Fund debt service for all agencies is consolidated in the Finance and Administration Cabinet. All new 2018-2020 General Fund debt service is reflected in budgets of the affected agencies.

Policy

The American Recovery and Reinvestment Act of 2009 created a new debt instrument for tax-exempt municipal bond issuers, called Build America Bonds. Municipal bond issuers could issue Build America Bonds for eligible tax-exempt purposes on a permanent basis only. The Commonwealth was eligible for a subsidy for bonds issued as Build America Bonds prior to December 31, 2010. Subsidies from the Build America Bonds shall lapse to the General Fund. The amount of the General Fund lapse is \$11,379,400 in fiscal year 2018-2019 and \$11,115,800 in fiscal year 2019-2020. The amount of Tobacco Fund lapse is \$2,031,400 in fiscal year 2018-2019 and \$1,987,500 in fiscal year 2019-2020.

House Bill 482 from the 2017 Regular Session of the General Assembly appropriated \$641,000 from the General Fund in the current fiscal year to the Economic Development Cabinet for debt service to support new bonds. That appropriation is displayed here.

The 2016-2018 biennial appropriations act included a provision authorizing the transfer of unneeded debt service appropriation in the Finance and Administration Cabinet to the Kentucky Communications Network Authority for availability payments. That transfer is displayed in fiscal year 2018.

The Department for Facilities and Support Services consists of the Commissioner's Office and five offices/divisions: Facility Development and Efficiency, Historic Properties, Real Properties, Surplus Properties, and the Office of Building and Mechanical Services. The Department manages the State's facilities construction program, maintains Finance and Administration Cabinet buildings, provides management and oversight of state-owned historical buildings and sites, and provides real property acquisition, disposition, leasing, and inventory services.

The Commissioner's Office coordinates and supervises the activities of the five offices/divisions authorized in KRS 42.027.

The Office of Facility Development and Efficiency includes the Division of Engineering and Contract Administration which provides professional and technical engineering and architectural services to state agencies, reviews capital construction design documents, acts as a liaison between the Department and state agencies on new construction and major maintenance projects, and monitors construction and maintenance contracts for compliance with plans and specifications. The Division is also responsible for administering the procurement process for construction projects of the Commonwealth of Kentucky, excluding roads and bridges, as prescribed by the Kentucky Model Procurement Code (KRS 45A) and the related administrative regulations. The Division prepares invitations to bid, opens and evaluates those bids, and awards contracts. The General Contracting Branch provides general construction procurement, administers the advertising and awarding of state general construction projects and related support systems, provides procurement information to state agencies, and administers procurement programs for new building construction, renovation, and mechanical, electrical, and HVAC systems. The Specialized Contracting Branch administers the

advertising and awarding of state specialized construction projects and related support systems; provides procurement information to state agencies; and administers programs such as reclamation under the Abandoned Mines Lands program, the procurement of state-owned telephone switching systems, asbestos abatement projects, and master agreements for maintenance of elevators, escalators, and similar services. The Administrative Services Branch and the Pre-Audit Branch provide support services to the Division and Department.

The Office of Facility Development and Efficiency also includes the Division of Facility Efficiency which is responsible for managing the Guaranteed Energy Saving Performance Contracting program and for implementing the Commonwealth Energy Management and Control System (CEMCS). The CEMCS project is an aggressive effort to use an enterprise software platform to reduce energy use in state buildings.

The Division of Real Properties provides buildings and parking facilities for state agencies throughout the Commonwealth. The Leased Properties Branch is responsible for administering space requests for leased property, acquisitions of privately-owned leased property for state use, lease renewals and cancellations, modifications to leased property, and related activities. The State Properties Branch administers space assignments for state-owned real property, acquisitions and sales of real properties, leases of state-owned real property to other entities, easements on state-owned real property, appraisals and appraisal reviews for acquisitions and dispositions, authorization of demolition of state-owned buildings, and relocation assistance. The Inventory and Property Utilization Branch plans space utilization including minor building alterations and renovations and interior space standards and administers inventory of state-owned real property, inventory of state-owned leased-out real property, inventory of state leased-in real property, building use permits, reserved parking assignments in Frankfort, and deed and easement records of state-owned real property.

The Division of Historic Properties, in accordance with KRS 42.019 and KRS 11.026, is responsible for the preservation and maintenance of Finance and Administration Cabinet-owned historic sites including the Kentucky State Capitol, Executive Mansion, Old Governor's Mansion, Berry Hill Mansion, and the Vest-Lindsey State Meeting House. The Division consults with the Department of Parks to preserve and maintain those historic sites under the management and control of the Tourism Development Cabinet. The same consultation services are provided to other agencies within state government as requested. The Director of the Division of Historic Properties serves as State Curator and a member of the Historic Properties Advisory Commission. The Commission is statutorily responsible for overseeing the maintenance, restoration, preservation, and care of furnishings and grounds of the Executive Mansion, Old Governor's Mansion, and State Capitol grounds. Historic Properties staff is responsible for scheduling and coordinating events held in the public areas of the Capitol Building and grounds. Staff have established and implemented policies and guidelines for the use of this space to allow public access while preserving and protecting the historic and architectural integrity of the buildings and grounds.

The Office of Building and Mechanical Services, which includes the Division of Building Services and the Division of Mechanical Services, as authorized by KRS 42.027, provides services for all Finance and Administration Cabinet-operated buildings and for the state agencies occupying those facilities. The Office is responsible for several buildings in Frankfort including the Capitol, New Capitol Annex, Old Capitol, Old Capitol Annex, Capital Plaza Complex, Human Resources Building, Executive Mansion, Old Governor's Mansion, New State Office Building, Library and Archives Building, Central Lab Facility, the Kentucky History Center and the Transportation Cabinet building. The Office also services buildings at the London Regional and Madisonville state office complexes, the Spindletop Research Complex in Fayette County, and offices in Ashland, Jackson, Louisville, Owensboro, and Richmond that were formerly owned and operated by Cabinet for Health and Family Services. Services provided include minor renovations; maintaining parking lots, sidewalks and ramps; janitorial and landscaping services; maintaining the heating, ventilating, and air conditioning systems; maintaining special equipment within the buildings as requested; roof repair; fire alarm and security systems; electrical systems; energy conservation; maintaining elevators and escalators; maintaining emergency power systems; and after-hours emergency services.

Additionally, the Office is responsible for developing plans and specifications for a wide variety of construction projects. After plans and specifications are complete and have been approved, the Office oversees the construction phase and provides contract administration.

Recently, the Department has entered into two public-private partnerships for the development of new state office space in Franklin County. The first, included in the 2014-2016 Executive Branch appropriations act, authorized the Department for Facilities and Support Services to construct a new state office building to house displaced state workers from the Capital Plaza Tower and privately leased space. The Department entered into an agreement with a private developer to construct, operate, and maintain the property at 300 Sower Boulevard in Franklin County for a period of 35 years, at which time the Commonwealth will take over ownership of the property. Construction was complete in the spring of 2016, and state employees began to occupy the new building shortly thereafter. Payments to the developer for amortization of the construction cost and for ongoing maintenance and operations are made by the Department for Facilities and Support Services in conjunction with the Office of Financial Management. The second project was authorized by Senate Bill 238 from the 2017 Regular Session of the General Assembly and is currently underway. The project provides for the renewal of the Capital Plaza complex in downtown Frankfort.

Policy

The <u>Budget of the Commonwealth</u> provides General Fund in the amount of \$192,000 in fiscal year 2018-2019 and \$1,168,000 in fiscal year 2019-2020 for debt service on new bonds included in the capital budget.

The County Costs program provides payment to local officials for the performance of functions required by state statutes. Payments under the County Costs program are statutorily mandated and are regarded as a necessary governmental expense.

KRS 31.185 requires the fiscal court or legislative body of an urban county government, containing less than ten circuit judges, to annually appropriate twelve and one-half cents (\$0.125) per capita to the county as determined by the Council of Local Governments' most recent population statistics. The funds, which shall not lapse, shall be held in a special account to be administered by the Finance and Administration Cabinet, and shall be used to pay all court orders that have been entered into as a result of a needy defendant's motion for funding assistance. If the funds are depleted in any given year, any unpaid court orders will be paid as a judgment against the Commonwealth.

In accordance with KRS 421.015 and 421.250, circuit and district court clerks provide witnesses compensation with reimbursement being provided by the State Treasury upon claim accompanied by documentation.

The service fee imposed by KRS 189.050 for persons convicted of driving under the influence of alcohol or other substances shall be disbursed among various state and local agencies to fund such programs as enforcement, indigent defense, and the traumatic brain injury trust fund.

Pursuant to KRS 64.092, the sheriff or other law enforcement officer providing security in a Circuit or District Court shall be compensated at the rate of \$8 per hour of service.

Pursuant to KRS 133.240, county clerks are paid \$0.30 per tax bill for preparing property tax bills and \$1.00 for omitted assessments. The Finance and Administration Cabinet is responsible for remitting half of the allowed amount to the county clerk.

Pursuant to KRS 133.030, each member of a county board of assessment appeals is compensated \$100 per day for their services in hearing tax appeals and reviewing tax assessments. The Finance and Administration Cabinet refunds county fiscal courts for half of the board members' compensation.

As authorized by the County Judge Executive or the Governor, and pursuant to KRS 440.090 and 440.380, duly appointed officers are reimbursed by the Finance and Administration Cabinet for mileage and expenses incurred while traveling out of state and returning a fugitive from justice to Kentucky.

KRS 29A.170 and KRS 30A.110 require that all jurors in circuit and district court be paid a daily compensation of \$12.50 per day plus expenses. The Finance and Administration Cabinet administers this compensation and reimbursement program in cooperation with each county circuit court clerk office. Under KRS 29A.180, sequestered jurors are provided meals, housing, transportation, and security which are funded by the Finance and Administration Cabinet.

Pursuant to KRS 70.170, the Finance and Administration Cabinet administers the sheriffs' expense allowance program by issuing monthly checks to each of the 120 county sheriffs. The payments of \$300 per month are for expenses incurred in the performance of his or her official duties.

KRS 62.140 and KRS 62.155 requires the Commonwealth to reimburse each county sheriff for the cost of bond premiums required by law in the performance of his or her official duties.

Under KRS 27A.630, filing fees for civil actions include \$20 in Circuit Court and \$10 in District Court to support access to justice by indigent clients. The fees are paid to the General Fund, and the Finance and Administration Cabinet distributes them monthly to non-profit agencies designated by the Chief Justice in each judicial district to provide the legal services. In previous years these have been accounted for as expenditures requiring an appropriation upon recommendation of the Finance Cabinet. These will be considered as reductions to revenue and accounted for solely on the revenue side of the ledger.

Policy

Funds required to pay county costs are appropriated and additional funds may be allotted from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705) by the Secretary of the Finance and Administration Cabinet as a necessary governmental expense, subject to the conditions and procedures provided in the Appropriations Act.

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$3,000,000 in each fiscal year for the Sheriffs' Fees program for costs that were previously considered a necessary government expense. Expenses that exceed this amount will be considered a necessary government expense and shall be paid from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705).

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$1,000,000 in each fiscal year for the Public Defender program for costs that were previously considered a necessary government expense. Expenses that exceed this amount will be considered a necessary government expense and shall be paid from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705).

The Budget of the Commonwealth includes a wage of \$9 per hour for court security officers.

The <u>Budget of the Commonwealth</u> suspends the provisions of KRS 70.170 and provides funding for the Sheriff's Expense Allowance program in the amount of \$2,400 annually for each sheriff.

The Commonwealth Office of Technology (COT) provides leadership, policy direction, and technical support to all executive branch agencies in the application of information technology and the delivery of information services. This broad statement of responsibility encompasses major information resource functions such as data center operations; voice, data, and video communications; application development; data security administration; computer hardware selection and installation; and related end-user and customer support services. The workload for COT is highly sensitive to agency programmatic shifts, particularly changes mandated by state and federal legislation.

COT consists of six units: Commissioner, Chief Information Security Officer, Application Development, Infrastructure Services, Enterprise Technology, and IT Service Management.

The Commissioner's Office is responsible for developing strategies and policies to promote the effective application of information technology within state government as a means of saving money, increasing efficiency and employee productivity, and improving services to the public, including electronic access to information of the Commonwealth.

The Chief Information Security Officer manages security, access and acceptable use policies for all COT functions. As more and more of the Commonwealth's mission-critical applications go on-line, their potential exposure to malicious activity increases. In addition to maintaining the physical security of the Commonwealth Data Center and other COT facilities, the Security Office develops and maintains the disaster recovery business continuity plan.

The Office of Infrastructure Services operates the Commonwealth's enterprise computing and communications environment. This Office includes the daily operation of the Commonwealth Data Center and the Alternate Data Center, operation and maintenance of the Kentucky Information Highway, and all communication services, including data, voice, video, and wireless. Other responsibilities include providing help desk assistance to end-users and ensuring the security of client information in the areas of electronic commerce and network computing.

The Office of Enterprise Technology is responsible for the statewide strategic information technology (IT) plan. Staff in this office assist state agencies in developing their own IT plans that conform with the policies and architecture standards determined by COT. Other responsibilities include enterprise capacity planning, testing, research, and development.

The Office of IT Service Management is responsible for the IT Infrastructure Library (ITIL) framework and support functions of COT. The office will oversee the transition of agency IT infrastructure to COT as part of the IT infrastructure consolidation initiative.

The Office of Application Development analyzes, designs, develops and installs systems and applications for client agencies throughout state government. Support is provided for systems that drive mission-critical activities for the Commonwealth, including public assistance, public health and safety, collection of taxes, and financial and personnel management of state government. The Office provides consulting services and support in a broad range of technical environments including Windows NT, 2000, and XP; UNIX; and Z/OS using languages such as Java, VB, .NET, COBOL, SAS, and others.

The Commonwealth Office of Technology operates as an internal service fund agency with budgetary support derived through the application of a federally-approved cost allocation plan, which distributes costs to user agencies based upon utilization of services. The rate schedule by which COT bills agencies for IT services is reviewed annually and adjusted as necessary to accurately reflect actual cost. By consolidating infrastructure services and purchases of equipment and software licenses, COT is able to provide many basic services at very competitive rates.

Executive Order 2012-880 directed that operational control and management of all information technology infrastructure services for the Executive Branch be consolidated under COT. Infrastructure services include computing equipment, server, storage, network, desktop support, telephony, IT facilities and enterprise-level shared systems, IT security, disaster recovery and business continuity, database administration, software licensing, and related planning, administration, asset management, and procurement. The consolidation of IT infrastructure services required the transfer of 218 IT infrastructure employees from various state agencies to COT. The Executive Order also created the position of Chief Information Officer (CIO) as the head of COT and made the CIO a member of the Governor's Executive Cabinet.

Executive Order 2017-0889, effective December 16, 2017, directed that the Executive Director of the Commonwealth Office of Technology would also serve as the Chief Information Officer of all Executive Branch agencies. The Commonwealth Office of Technology shall be the lead agency within the Executive Branch concerning delivery of information technology services, including application development and delivery.

Policy

The <u>Budget of the Commonwealth</u> provides General Fund in the amount of \$641,000 in fiscal year 2018-2019 and \$1,923,000 in fiscal year 2019-2020 for debt service on new bonds included in the capital budget.

The Department of Revenue is responsible for the accurate and equitable administration of all state revenue laws, and for the assessment and collection of over 40 separate state taxes. The Department aims to ensure the taxpayer's voluntary compliance with the revenue laws, to enforce such laws in those instances where necessary, and to supervise and assist county property valuation administrators in assessing property for taxation.

The Commissioner's Office includes the Division of Protest Resolution, the Security and Disclosure Branch, and the Taxpayer Ombudsman. Department-wide costs such as office rent, printing, postage, and information technology are budgeted in this unit.

The Office of Property Valuation monitors and evaluates the real property assessments produced by the 120 locallyelected Property Valuation Administrators (PVAs). The office is charged with assessing the property of public service companies; collecting and distributing personal property taxes; and providing education, training, and technical support to the PVAs and sheriffs.

The Office of Field Operations has 10 regional taxpayer service centers located across the state and is responsible for field audits and providing taxpayer assistance.

The Office of Income Taxation administers individual and business income taxes, including employer withholding. The Office is responsible for technical tax research, compliance, taxpayer assistance, tax-specific training, and publications.

The Office of Sales and Excise Taxes administers sales and use taxes and miscellaneous excise taxes. The Office conducts technical tax research and is responsible for compliance, taxpayer assistance, training and publications.

The Office of Processing and Enforcement receives all tax receipts, returns, refunds, documents and correspondence; registers new businesses; and maintains appropriate storage, retrieval and management of tax records for the Commonwealth.

The Office of Tax Policy and Regulation is responsible for providing oral and written technical advice on Kentucky tax law; drafting proposed tax legislation and regulations; analyzing tax publications; providing expert witness testimony in tax litigation cases; providing consultation and assistance in protested tax cases; and conducting training and education programs.

Policy

Included in the above General Fund appropriation is \$5,820,500 in fiscal year 2019-2020 for new debt service to support new bonds included in the capital budget.

Each of the state's 120 counties has a locally elected Property Valuation Administrator (PVA). The PVA and an appointed staff are responsible for locating, identifying, and assessing at fair market value all taxable real property (land and improvements) and tangible personal property in the county. Tax revenues generated by these assessments are used to fund services provided by the state, cities, counties, and school districts as well as special taxing districts such as fire departments, libraries, extension offices, and refuse disposal services. Funding for PVA offices is provided by state, county, and city governments as well as from sales of maps and other geographic information.

Policy

The <u>Budget of the Commonwealth</u> suspends the provisions of KRS 132.597 and provides funding for an expense allowance for each PVA in the amount of \$2,400 annually.

General Administration and Program Support consists of Administrative Support and the Office of the Inspector General (OIG).

The Administrative Support area includes the Office of the Secretary, the Office of Legal Services, the Office of Communications and Administrative Review, the Office of Human Resource Management, the Office of Legislative & Regulatory Affairs, the Office of Policy and Budget, the Office of Administrative and Technology Services, the Kentucky Health Information Exchange, and the Office of the Ombudsman. These offices provide policy, administrative, legal, financial, technological, and personnel support services to the program areas of the Cabinet.

The Office of Inspector General provides support to other programs in the Cabinet for Health and Family Services as well as its programmatic functions of health care facility licensure and child care facility regulation.

The OIG has three major functions:

- Audits and Investigations
- Child Care Licensing and Regulation
- Health Care Licensing

Policy

The <u>Budget of the Commonwealth</u> includes General Fund in the amount of \$102,500 in fiscal year 2018-2019 and \$307,500 in fiscal year 2019-2020 to support new bonds as set forth in Part II, Capital Projects Budget.

Administrative Support provides funding for nine organizational units within the Cabinet for Health and Family Services (CHFS) including the Office of the Secretary, the Office of Legal Services, the Office of Communications and Administrative Review, the Office of Human Resource Management, the Office of Legislative & Regulatory Affairs, the Office of Policy and Budget, the Office of Administrative and Technology Services, the Kentucky Health Information Exchange, and the Office of the Ombudsman.

The Office of the Secretary provides leadership, oversight and guidance in order for CHFS to deliver quality services that enhance the health, safety, and wellbeing of all people in the Commonwealth of Kentucky.

Legal Services provides legal guidance and assistance to all units of the Cabinet in any legal action in which it may be involved. This office provides legal representation for the Cabinet in federal courts, state courts, and before quasi-judicial and administrative bodies; administers all personal service contracts of the Cabinet for legal services; assists in drafting and reviewing legislation, regulations, statutes, and other legal documents and instruments; and provides the Secretary, Commissioners, and Directors in the Cabinet with the legal guidance and representation necessary for them to properly administer the Cabinet's programs.

Communications and Administrative Review is responsible for providing qualified administrative law judges/hearing officials to conduct administrative hearings related to Cabinet matters, overseeing and monitoring legislative activities, and representing the Cabinet in matters of public information, including media inquiries, open records requests, press releases, public relations, and internal communications.

Human Resource Management serves all Cabinet employees and programs and provides payroll and health benefits administration, equal employment opportunity compliance, and professional development and training activities. This office serves as the Cabinet's appointing authority and performs all the duties, responsibilities and functions required to maintain an effective and efficient personnel management system in accordance with the Kentucky Revised Statutes, Kentucky Administrative Regulations, and the policy guidelines of the Secretary of the Cabinet.

Legislative & Regulatory Affairs coordinates activities related to the Cabinet's public policy initiatives and administrative and legislative agendas with other governmental and private agencies. The office is responsible for coordination and oversight of over 660 regulations in the cabinet on behalf of the Office of the Secretary, including the Governor's Red Tape Reduction initiative. This office develops, implements, and pursues the cabinet's legislative agenda including reviewing, evaluating, and analyzing all legislative, regulatory, and public policy proposals impacting the cabinet and responding to requests for public policy information from the cabinet. Each legislative session, CHFS and its departments provide comprehensive reviews, analysis, and feedback on approximately 200 bills and numerous amendments impacting the cabinet's departments and programs.

Policy and Budget manages the cabinet's \$13B annual budget in coordination with departments on behalf of the Office of the Secretary. This office reviews and coordinates activities related to budgetary and programmatic issues across agency lines within the cabinet as well as with other state agencies outside the cabinet, including the Governor's Office for Policy and Management, the Finance and Administration Cabinet, and the Legislative Research Commission. In addition, the office reviews legislation for fiscal impact on the cabinet and responds to budgetary requests for information from various sources.

Administrative and Technology Services consists of Cabinet functions related to accounting, facilities management, procurement, and technology services. Accounting services is responsible for tracking of accounting and payments including travel for the Cabinet; filing required financial reports, including federal cash management activities; responding to audits of the Cabinet's programs, and providing maintenance and security of the accounting systems. Facility Services is responsible for monitoring all facilities of the Cabinet, including space design and utilization, establishment, monitoring, and reporting on safety programs, property insurance, claims processing, preparation and maintenance of the Cabinet's Six-Year Capital Plan; coordinating, tracking, and monitoring capital construction projects; tracking and reporting on the Cabinet's physical assets and public records. Procurement services oversees the purchasing and procurement process, provides technical support to Cabinet staff in procurement and contracting procedures, and ensures compliance with all applicable statutes, regulations, policy, and procedures related to procurement. Technology Services provides technology resources for the Cabinet, including the development, operation, and security of the extensive statewide application systems that support direct delivery of frontline services. The Kentucky Health Information Exchange (KHIE) serves as a focal point for e-health initiatives in the Commonwealth. KHIE helps health care providers in utilizing health technology to improve patient care, reduce medical errors, and make more efficient use of health care dollars by reducing redundant services.

The Ombudsman answers questions from recipients of CHFS programs and provides information to the public about CHFS programs. The Office also investigates customer complaints and works with CHFS management to resolve them. The Ombudsman advises CHFS management regarding patterns of complaints and recommends corrective action when appropriate. Staff conducts federally mandated management evaluation and access reviews for the food stamp program and assists in writing county and regional corrective action plans. The Ombudsman is responsible for determining administrative hearing eligibility related to service complaints regarding the Department for Community Based Services Protection and Permanency cases and requests to appeal child abuse and/or child neglect substantiations. The CHFS Institutional Review Board for the Protection of Human Subjects is housed within the Office of the Ombudsman. The Board reviews and approves all research projects conducted by CHFS or involving CHFS clients or employees as subjects to ensure that the safety and welfare of the research subjects is protected.

The Inspector General has three divisions: the Division of Audits and Investigations, the Division of Regulated Child Care, and the Division of Health Care. The general authority for the Office of the Inspector General is codified within KRS 194A.030.

The Division of Audits and Investigations examine Cabinet programs to assess contractor compliance with state and federal laws and regulations. In accordance with KRS 194A.030, the Division is responsible for conducting audits of programs within the Cabinet for Health and Family Services, their grantees and contractors. Investigations are conducted to detect fraud or abuse of any program by any client, or vendor of services with whom the Cabinet has contracted. Special investigations may be requested by the Secretary, commissioners, or agency heads into matters related to the Cabinet and its programs. Any information relevant to possible criminal violations is forwarded to the appropriate prosecuting authority. The agency operates a toll-free welfare and Medicaid fraud and abuse hotline (mandated by KRS 205.8483 and 42 CFR 455); conducts investigations of Women, Infants, and Children program vendors; and collects and reports data on assistance program fraud investigations by the Office of the Inspector General and the Office of the Attorney General. The Kentucky All Schedule Prescription Enforcement Reporting or KASPER system is also maintained here.

Regulated Child Care is charged with licensing certified Family Day Care homes, licensed day care centers (Type I and II), child caring facilities, child-placing agencies, and private adoptive service agencies. This includes initial licensure surveys, yearly re-licensure surveys, and complaint surveys.

Health Care Licensing is responsible for inspecting, monitoring, licensing and certifying all health care facilities as defined by KRS 216.510 (1). On-site inspections are conducted of all health facilities and services throughout the state (including nursing homes, hospitals and laboratories) to determine compliance with state licensing standards and federal Medicare and Medicaid certification requirements. Allegations of abuse and neglect that may occur in a licensed health facility are also investigated.

The Commission for Children with Special Health Care Needs (CCSHCN) has over 93 years of experience in providing care for children with a variety of special needs. The mission of the Commission for Children with Special Health Care Needs (CCSHCN) is to enhance the quality of life for Kentucky's children with special health care needs through quality service, leadership, advocacy, education and collaboration with community partners to ensure that services to children are comprehensive, community-based, family-centered and coordinated. CCSHCN supports the highest quality of life for Kentucky's children with special health care needs and their families through collaboration and facilitation of an easily accessible community based system of support. Improved communication across the service delivery system is a high priority goal to avoid duplication while improving access to quality services.

CCSHCN is charged with planning, developing, providing, and evaluating the public statewide system of care for children with special health care needs and providing early hearing and detection intervention services. CCSHCN works collaboratively with other agencies to assure services to children with disabilities are comprehensive, community-based, family-centered, and coordinated, thus avoiding duplication and fragmentation of the service delivery system. Accessibility is a key component of the delivery system. The program provides an array of preventative, diagnostic, and treatment services for special needs children and youth under 21 including: medical care, hospitalization, medications, durable medical goods, case management, therapy, transportation, and nutritional education. Because rapid advances in medical science have enabled over 90 percent of youth with disabilities and chronic conditions to reach adulthood, the program has expanded its focus to include services and supports for academic achievement, transition from education to employment, from pediatric to adult health care, and to independent living. Because health care is so critical to learning and success in school, CCSHCN has an active partnership with the Kentucky Department of Education and other health, education, and social services providers to support children and youth and families and their schools. The Early Hearing

Detection and Intervention Program provide surveillance and support for statewide screening for the early detection of hearing disorders and referral for follow-up treatment. The Hemophilia Program provides medical and social services to children and adults with blood disorders. The Foster Care Program represents a collaborative effort with the Department of Community Based Services to provide medical consultation services to the foster care support program by making regular home visits to the entire population of medically fragile foster care children and acting as onsite, medical resources for the social workers charged with responsibility for both children who are currently in the child welfare system and those who may be at risk for entering that system.

The family's financial status can play a role in determining whether the child is accepted into the Children with Special Health Care Needs Program and/or Hemophilia Program. All programs serve children and youth with or at-risk for special health care needs under age 21, with the exception of the Hemophilia Program, which also serves adults. The direct service programs require that specific medical eligibility requirements be met. For families with incomes less than 213% of the federal poverty level, a sliding scale is applied to determine the amount the family must contribute for treatment. Eligible children and youth in families with incomes in excess of 213% of federal poverty level also can receive services if they reside in medically under-served areas of the state, would benefit from a multidisciplinary approach to care, and/or are underinsured in the areas of hearing aids, durable medical equipment or nutritional supplements. These families are required to reimburse CCSHCN for the entire costs of their treatment, but are able to take advantage of the Commission's negotiated rates with contracted medical providers.

Medicaid Services is comprised of two appropriation units: Administration and Benefits. Additionally, two major programs operate within each of those appropriation units: the Kentucky Medical Assistance program (regular Medicaid program) and the Kentucky Children's Health Insurance program (KCHIP).

The Medical Assistance program provides for comprehensive physical and behavioral health services by reimbursing providers for health care provided to medically indigent Kentuckians. Providers are reimbursed directly on a fee-for-service basis or indirectly through contractual arrangements with managed care organizations who receive a monthly capitation payment for each enrolled recipient. Eligibility for services is determined by staff in each county through a contractual agreement with the Department for Community Based Services. Individuals may automatically qualify for benefits if they are eligible for Supplemental Security Income benefits administered by the Social Security Administration.

KCHIP provides for comprehensive physical and behavioral health services for uninsured children up to 200 percent of the federal poverty level who are not otherwise eligible for Medicaid.

Administrative functions of the Medicaid program and the Kentucky Children's Health Insurance program (KCHIP) include determining applicant eligibility, formulating policy, processing claims, assuring appropriate utilization of medical services, and managed care oversight. For the fee for service elements of the program, claims are paid through contracts with a fiscal agent and a pharmacy benefits administrator. For the managed care elements of the program, a monthly capitation fee for each member is paid. The Medicaid program contracts for medical review of acute care admissions, level of care determinations for long-term care patients, and care reviews for recipients in mental hospitals and psychiatric facilities.

The Department for Community Based Services performs the eligibility determination function on behalf of the Department for Medicaid Services through a contractual arrangement. The Department for Medicaid Services also administers KCHIP, a program to provide health care services for uninsured children with family incomes below 200 percent of the federal poverty level but above the federal income level for the Medicaid Program.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund of \$20,000,000 in fiscal year 2019-2020 to replace the 2007 Medicaid Enterprise Management System (MEMS) with a modernized system that complies with the Medicaid Information Technology Architecture requirements. The state will draw an enhanced federal match in the amount of \$50,596,500 in fiscal year 2019-2020.

The <u>Budget of the Commonwealth</u> includes General Fund of \$17,501,500 in fiscal year 2018-2019 for the Kentucky HEALTH Medicaid 1115 Waiver demonstration project. The project focuses on "Helping to Engage and Achieve Long Term Health (HEALTH)" for Medicaid participants, with the goal of improving member outcomes.

The Kentucky Medicaid program, under Title XIX of the Social Security Act and KRS 205.520, provides for preventive and remedial medical care for financially and medically indigent citizens in Kentucky who meet the income and resource criteria for Medicaid eligibility. The following services are currently provided by Kentucky's Medicaid program: Inpatient Hospital; Mental Hospital (for individuals under age 21 and age 65 and over); Renal Dialysis; Model Waiver II (home based services for individuals who are ventilator dependent); Psychiatric Residential Treatment Facilities (8-9 bed group homes for adolescents needing psychiatric residential services); Outpatient Hospital (including Emergency Room); Ambulatory Surgical Centers; HANDS (home visiting services for new and expectant parents); Specialized Children's Services Clinics (sexual abuse examinations); School-Based Services (Medicaid coverage for health services provided by schools to children with disabilities); Commission for Children with Special Health Care Needs; Intermediate Care Facility Services for Individuals with Intellectual Disabilities-ICFIID (residential habilitation for Medicaid recipients with intellectual disabilities); Nursing Facility Services (residential placement for the elderly and/or disabled); Preventative Services (health care) through the Local Health Departments; Early Intervention Services for Infants through age 2 with developmental problems; Early and Periodic Screening; Diagnosis and Treatment Services (EPSDT) which is preventive health care for children under 21 and coverage of any Federally-allowable, medically necessary Medicaid service for children, even if the service is not covered by the state's Medicaid plan; Chiropractic; X-ray and Laboratory Services; Physical, Occupational and Speech Therapy; Durable Medical Equipment (DME); Federally Qualified Health Centers (FQHC); Primary Care Centers (PCC); Community Mental Health Centers (CMHC); Rural Health Centers; Family Planning; Home Health services; Supports for Community Living -SCL (long term community services and supports for individuals with intellectual disabilities); Home and Community Based Waiver - HCBS (long term community services and supports for individuals who meet nursing facility level of care); Adult Day Health Care; Brain Injury Waiver Services (long term community services and supports for individuals with acquired brain injuries); Michelle P. Waiver services (long term

community services and supports for individuals with intellectual or developmental disabilities); Nurse Anesthetist; Hospice; Transportation (Non-Emergency and Emergency/Ambulance); Pharmacy; Vision Care; Dental; Physician Services; Nurse Practitioner/Midwife; Audiology Services; Podiatry; Comprehensive Outpatient Rehabilitative Facilities (CORF); Distinct Psychiatric Units in hospitals; Distinct Rehabilitative Units in hospitals; Physicians Assistants; Private Duty Nursing Services; Behavioral health (mental health or substance use disorder services) provided by licensed practitioners, practitioner groups and licensed organizations; Targeted Case Management for individuals with serious mental health or substance abuse disorders; Medicare Premiums (Medicare beneficiaries with incomes below the federal poverty level receive Medicaid assistance for payment of Medicare premiums, deductibles and cost sharing). These individuals are Qualified Medicare Beneficiaries (QMBs). Individuals at the lowest income levels are entitled to full Medicaid benefits. Medicare beneficiaries with income levels slightly higher than poverty receive Medicaid assistance for payment of Medicare premiums. These individuals are Specified Low-Income Medicare Beneficiaries (SLMBs).

Effective January 1, 2014, the federal Patient Protection and Affordable Care Act (ACA) changed the basis for Medicaid eligibility from eligibility categories tied to deprivation to income-based eligibility, with household income for most beneficiaries determined by the Modified Adjusted Gross Income (MAGI) reported on income tax returns. ACA also simplified and streamlined eligibility processes for most beneficiaries. ACA required states with Medicaid benchmark benefit packages, including Kentucky, to align their Medicaid benefits with ten essential health benefits defined by the benchmark plan adopted for the state's health benefit exchange (the 2012 Anthem PPO plan for Kentucky). This required Kentucky to add substance use treatment services and private duty nursing to its benefit package for all Medicaid beneficiaries. Prior to ACA, Kentucky Medicaid only covered substance use treatment for children and pregnant women. Kentucky adopted the adult Medicaid eligibility expansion which extends Medicaid eligibility to individuals in households with income at or below 138% of the federal poverty level (FPL).

Medicaid Enrollment Projections FY 2018-20

| | MCO (Traditional | MCO (Medicaid | | Fee For Service | |
|--------|------------------|---------------|-------------|-----------------|--------------------|
| | Medicaid) | Expansion) | MCO (KCHIP) | (FFS) | Grand Total |
| SFY_18 | 757,481 | 470,391 | 85,664 | 154,498 | 1,468,034 |
| SFY_19 | 771,625 | 492,333 | 90,617 | 163,087 | 1,517,662 |
| SFY_20 | 787,324 | 513,635 | 95,392 | 172,032 | 1,568,383 |

The Medicaid Expansion population for fiscal year 2017 was 453,852. The fiscal year 2016-2017 enrollment forecast from the 2016-2018 Medicaid budget request was 428,947.

Kentucky Medical Assistance Program (KMAP) Recipient Groups

Based on the eligibility changes in ACA, individuals who are eligible for KMAP benefits are classified into two groups: the Modified Adjusted Gross Income (MAGI) eligibility group and the non-MAGI eligibility group.

The **MAGI eligibility group** includes children and non-disabled adults under age 65. Specifically, this group includes children, pregnant women, caretaker relatives of children eligible for Medicaid, the adult Medicaid expansion eligibility group and former foster care children who are eligible for Medicaid up to age 26. Eligibility for each of these groups is based on the following income levels: pregnant women and infants under one year of age – 200% of the Federal Poverty Level (FPL); children from one to eighteen years of age: 147% FPL; and the adult Medicaid expansion eligibility group: 138% FPL. Former foster care children are eligible for Medicaid up to age 26 regardless of their income.

The **non-MAGI eligibility group includes** aged, blind and disabled individuals whose eligibility is associated with their health status and who are subject to resource requirements as well as income limits in establishing Medicaid eligibility.

Projecting Benefits Cost

Forecasting models were combined in the preparation of the Medicaid Benefits projections. Both the Office of State Budget Director (OSBD) and the Department for Medicaid Services (DMS) prepared cash forecasts to arrive at a consensus forecast. These forecasts examine past trends in categorical spending to generate projections for future cash expenditures, adjusting for policy changes. It should be noted that fewer members and services remain under fee-for-service due to the expansion of managed care which was implemented November 1, 2011. Using member eligibility information, historical monthly cash fee-for-service data was classified as either fee-for-service or managed care. Managed care costs were calculated based on the monthly member forecast and the negotiated rates with the

contracted managed care organizations. The managed care portion of the budget does not include individual categories of service; therefore, total projected costs for individual services cannot be determined.

Provider Taxes

Although the majority of the funds that the Commonwealth uses to match federal Medicaid dollars are derived from the General Fund, approximately 21 percent of the program's fiscal year 2019 and 20 percent of the program's fiscal year 2020 expenditure match will be secured from dedicated provider assessments. The assessments are levied on hospitals, home health agencies, Intermediate Care Facilities for Persons with Intellectual Disabilities, providers of alternative community services and long-term care facilities. The recommended budget assumes continuation of the current level of provider tax collections to maintain existing reimbursement levels for hospitals established in state fiscal year 2006.

Disproportionate Share Hospital (DSH) Payments

The budget includes funding for Disproportionate Share Hospital (DSH) payments equal to the maximum amount established by federal law. Disproportionate Share Hospital payments to state mental hospitals are budgeted in each year of the biennium. This budget includes funds transferred from the university teaching hospitals to be used as state matching funds for the portion of DSH funds received by those facilities.

Managed Care

The budget request assumes that Medicaid services are provided statewide by five (5) contracted Managed Care Organizations (MCOs): Anthem, Aetna (Coventry Cares), Humana CareSource, Passport, and Wellcare. Recipients in long term care facilities and waiver programs are excluded from managed care enrollment.

Benefit Match Rate

The budget request assumes a federal medical assistance percentage of 71.55 for state fiscal year 2018-2019 and 71.67 percent for fiscal year 2019-2020 for eligibility groups other than the ACA Medicaid expansion group for most budget items. The federal medical assistance percentage (FMAP) for the Medicaid expansion eligibility group authorized by the ACA drops from 95% in calendar year (CY) 2017 to 94% in CY 2018 (impacts six months of fiscal year 2017-2018). The ACA federal match drops again in CY 2019 to 93% (impacts six months of fiscal year 2018-2019) followed by a drop to 90% for CY 2020 (impacts six months of fiscal year 2019-2020) and beyond. The federal Medicaid match rate for KCHIP for SFYs 2018 and 2019 is calculated at 100 percent.

Kentucky Children's Health Insurance Program (KCHIP)

The Kentucky Children's Health Insurance program was initiated under Title XXI of the Social Security Act and currently serves eligible children up to 213 percent of the federal poverty level.

As under current law, the Legislative agreement proposed that CHIP be continued with the federal share to continue to be enhanced by 23 percentage points for two more years, in 2018 and 2019. This enhancement would be halved to 11.5 percentage points in 2020; and would be eliminated in 2021 and 2022. As a result, the federal match rate for KCHIP would be 100% in SFYs 2018-2019, decreasing to 93.8% in SFY 2020.

The Department for Behavioral Health, Developmental and Intellectual Disabilities operates behavioral health, substance abuse, developmental and intellectual disabilities, and brain injury programs. Services are provided in the community and in state-owned, state-operated and contracted residential facilities. Approximately 900 inpatients are cared for daily in the facilities operated or contracted by the Cabinet, and several thousand more are treated as outpatients in the community setting by the 14 Regional Boards for Mental Health or Individuals with an Intellectual Disability established by KRS 210.

Community Mental Health Services

The Community Mental Health Services program provides services and support to Kentuckians with mental health conditions in an effort to improve their ability to function in the community. The Department for Behavioral Health, Developmental and Intellectual Disabilities contracts with 14 Regional Community Mental Health Centers (CMHCs) and other local entities. In addition, the Community Mental Health Services program has targeted funds to the most vulnerable citizens with behavioral health conditions. These include:

- Adults with severe mental illness (KRS 210, KRS 202A),
- Children/youth with severe emotional disabilities (KRS 200.501 to KRS 200.509)
- Uninsured or underinsured individuals with behavioral health disorders.

In accordance with KRS 210.410, CMHCs must provide persons suffering from mental health conditions with specific services such as: consultation and educational services to help individuals, and their families, understand their illnesses

and treatment options; community support programs to assist individuals with mental illness in developing skills that allow them to live independently within the community; outpatient services; emergency services; and inpatient services, which are generally made available through referrals to crisis stabilization units or state or community hospitals.

State and federal funds are used to provide psychiatric screening and assessment services, case management services, psychotropic medications, housing, and vocational support services for adults with severe mental illness and children with severe emotional disabilities. Funds are also provided for unique services and supports designed to "wraparound" an adult or child who is at risk of psychiatric hospitalization or other out of home placement.

Funding is also used to support promotion of mental "wellness" and early intervention assessment and treatment services. Suicide prevention for youth, adults and older adults is an important focus of the Department as well as services to individuals, and their families, dealing with behavioral health issues related to or exasperated by military service.

Funding is used to support statewide needs assessment and planning, monitoring of services provided, training and technical assistance for providers and other community partners (child welfare, law enforcement, education), and procurement and administration of federal and other funds for the provision of effective, community-based services and supports. Integrated (physical and behavioral health) healthcare delivery is necessary for achieving optimal outcomes.

Community Alcohol and Drug Services

The Community Alcohol and Drug Services Program provides quality treatment, prevention, and education services to citizens suffering from, or at-risk of, substance use disorders (tobacco, alcohol and prescription or illegal drugs). Services are provided primarily through contracts with the CMHCs. Substance abuse prevention and treatment services are provided pursuant to KRS 222. The receipts from alcohol intoxication fines are received pursuant to KRS 431.100. Other statutes under which the program operates include: KRS 189A (Driving Under the Influence assessment, education, and treatment) and KRS 218A.410 (Drug Property subject to forfeiture).

Contracts with the CMHCs and their subcontractors, schools, local government agencies, and other community-based organizations provide services which include: community prevention programming (offered through 14 Regional Prevention Centers; juvenile diversion programs; DUI assessment, education, and treatment programs; Consultation with businesses on the development of a drug-free work place and employee assistance programs; Social setting detoxification centers, residential treatment for men, women and youth, outpatient treatment and intensive outpatient treatment, and case management services; and specialized treatment services for pregnant women, women with dependent children, adolescents, and intravenous drug users. In addition, opiate replacement therapy (medication) and corresponding counseling is available to opiate dependent persons who are at high risk for HIV/AIDS due to their intravenous drug use. Training, consultation and client evaluations are made available, within budget limitations, to criminal justice agencies and other agencies within the Cabinet for Health and Family Services for clients with substance use disorders.

During the past four years, CMHCs have been required to adjust to delivery system changes due to implementation of:

- Medicaid Managed Care
- Medicaid Expansion;
- The Patient Protection and Affordable Care Act ("PPACA": Public Law 111–148);
- The Health Care and Education Reconciliation Act and the Mental Health Parity; and
- The Addiction Equity Act (MHPAEA).

Community Developmental and Intellectual Disabilities is responsible for administration of the Supports for Community Living Medicaid waiver program for individuals with intellectual and developmental disabilities and for the oversight of community providers of both waiver and state General Fund service programs.

Developmental and Intellectual Disability Services provides support and services to individuals to help them be contributing members of their community. Services are provided through contracts with the 14 Regional Community Mental Health Centers and with for-profit and non-profit agencies which provide residential, vocational, community, respite, and a variety of other services that increase independence in the community. Some of the residential services include support to individuals within their own homes, family homes, group home living placements, apartment living supervision, community staffed residences, and assistance with other living arrangements. Participating providers must support people who choose their agencies to assist them to live in the community. It is the responsibility of the provider to ensure that people are safe, healthy, respected and valued; that they live in the community with effective, individualized assistance; and are contributing members of the community in which they live and work. Additionally, each of the 14 Regional Community Mental Health Centers have 24/7 crisis prevention and intervention support available to individuals, families and providers with the goal of enabling an individual to remain in his/her community and to prevent future crisis events.

The Kentucky Council on Developmental Disabilities is administratively attached to the Division of Developmental and

Intellectual Disabilities. The Council is made up of 26 members (individuals with developmental disabilities and family/ guardian/siblings) appointed by the Governor and state agency representatives as defined in (PL 106-402). The Council promotes systems change, capacity building and advocacy for individuals with developmental disabilities. The Council on Developmental Disabilities represents the interests of approximately 122,000 Kentuckians who have developmental disabilities. The Council funds time-limited demonstration projects and engages in outreach activities to assist individuals with developmental disabilities and their families.

General Support includes the Commissioner's Office, the Division of Administration and Financial Management, the Division of Program Integrity and the Office of Autism. This unit's activities include policy and budget development, proactive program monitoring, standards development, Autism Spectrum Disorder support, legislative monitoring and management decision-making for the overall direction of the Department. The Department contracts with the University of Kentucky for technical and information support services.

Residential Services provides inpatient care in the areas of psychiatric hospitalization, intermediate care for persons with developmental and intellectual disabilities, nursing facility care, and forensic psychiatry for approximately 900 individuals each day.

Inpatient psychiatric services are provided for adults through four psychiatric hospitals: Eastern State Hospital in Lexington with an average daily census (ADC) of 114; Central State Hospital in Louisville with an ADC of 63; and Western State Hospital in Hopkinsville with an ADC of 138. The ARH Psychiatric Facility located in Hazard, owned and operated by Appalachian Regional Healthcare, Inc., with an ADC of 51, provides acute inpatient psychiatric services through a contract with the Department. Eastern State Hospital is operated under a management contract with the University of Kentucky.

Glasgow Nursing Facility with an ADC of 73 and Western State Nursing Facility with an ADC of 100 provide quality care to adults with severe and persistent mental illness who require a skilled nursing facility's level of care. Eastern State Hospital Nursing Facility, with an ADC of 15, opened in FY 2015 and provides care to adults with acquired brain injury and geriatric long-term care.

Ten facilities provide intermediate care for individuals with developmental and intellectual disabilities who are unable to live unassisted in their communities: the Oakwood Community Center in Somerset with an ADC of 105, Outwood in Dawson Springs with an ADC of 34, Hazelwood in Louisville with an ADC of 75, Bingham Gardens located in Louisville with an ADC of 22, Del Maria in Fern Creek with an ADC of 8, the Meadows in Mount Washington with an ADC of 8, and Windsong in Crestwood with an ADC of 8. Residents are assisted in self-care skills and appropriate social behavior and are provided specialized services to promote their personal growth.

The Department has established three specialty clinics in support of individuals with developmental and intellectual disabilities living in the community, who may have transitioned from a facility placement. Moving from a facility placement to a community placement creates a gap in services that can negatively impact clients and jeopardize a successful placement. These clinics provide a vast array of specialized services including medical, dental and therapeutic services on an outpatient basis, avoiding institutionalization. These three specialty clinics are located on the campuses of Bingham Gardens, Hazelwood Center, and Oakwood.

Forensic psychiatric services are provided at the Kentucky Correctional Psychiatric Center within the Luther Luckett Correctional Complex in LaGrange (97 licensed beds). Pretrial services are provided for persons with felony charges who are referred by district and circuit courts for evaluation of competency to stand trial. The correctional component may serve some post-convicted females in need of acute inpatient psychiatric treatment who are transferred from various institutions within the Department of Corrections.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund in the amount of \$71,000 in fiscal year 2018-2019 and \$737,000 in fiscal year 2019-2020 for debt service to support new bonds as set forth in Part II, Capital Projects Budget.

The Department for Public Health's (DPH) mission is to improve the health and safety of all people in Kentucky through Prevention, Promotion and Protection. DPH is responsible for carrying out the core public health functions of:

1) assessment of health status and programs; 2) science-based health policy development; and, 3) assurance of health services, codes and programs to meet the needs of Kentuckians. Pursuant to KRS 211.025 and 211.180, DPH and its seven divisions carries-out and enforces public health laws and regulations, assists local boards of health and health departments, and acts to protect and improve health. It does so by formulating, promoting, establishing, and executing policies, plans, and programs "relating to all matters of public health", partnering with 61 local health departments (LHDs) covering 120 counties as well as other local, state and federal agencies.

The department's focus is improving the health status of the population. Due in part to public health efforts, fewer Kentuckians smoke, a greater number of colon cancers are prevented, teen pregnancy rates are down, and deaths from cardiovascular disease are decreasing.

The department strives to protect and improve the health and quality of life of each of over 4.4 million Kentuckians every day by administering approximately 150 distinct programs and services, which are as varied as immunizations, newborn screening, women's cancer prevention, radon control and the regulation of tattoo parlors. A sizable part of the state's economy is regulated by the actions of the department including the operation of food retail services, food manufacturing, radiation health services, hotels and pools. In fiscal years 2016 and 2017, the public health system in Kentucky provided clinical services to an average of about 450,000 unduplicated patients each year. Many public health services are unavailable from any other source or are unattainable from another source at low or no cost.

The department relies on LHDs to carry out many public health activities required by statute, regulation, or participation in federal grant awards. Federal monies support over half of the department's yearly budget. The majority of these awards are allocated to the community level for the performance of services. LHDs may also choose to perform enhanced services based on community health needs and for which the availability of funding allows.

The department consists of seven divisions: Administration and Financial Management to include the Commissioner's Office, Women's Health, Prevention and Quality Improvement, Epidemiology and Health Planning, Maternal and Child Health, Laboratory Services, and Public Health Protection and Safety.

A healthy population can help create a more robust workforce and contribute to driving down societal costs for healthcare. Kentucky's public health system, which touches numerous lives daily with its wide array of programs and messages, is critical to protecting and improving the state's health through its myriad programs and services many of which are performed only by public health agencies.

The General Health Support Program includes two organizational units: the Commissioner and Administration and Financial Management.

The Commissioner is responsible for the leadership, management, oversight, and policy direction of the Department for Public Health. The Commissioner advises the heads of major agencies in state government on policies, plans, and programs relating to matters of public health. This includes actions necessary to respond to extraordinary events in order to safeguard the health of the citizens of the Commonwealth. The Commissioner serves as the State Health Officer for the Commonwealth. The Commissioner's role includes the coordination of public health emergency response capabilities with federal and other state agencies and involvement in the statewide management of anti-terrorist (nuclear, biologic, chemical) activities. The Commissioner provides leadership in transforming the role of public health in Kentucky to new models as more of the uninsured citizens have opportunities for healthcare coverage under the new insurance marketplace and expanded Medicaid coverage.

The Chief Nursing Officer for Public Health, located in the Commissioner's Office, provides nurse administration consultation and technical assistance to the Commissioner, executive staff, and state and local health departments including approximately 900 nurses and APRNs who practice in local health departments across the state. This guidance includes nursing scope of practice issues, the development and implementation of clinical protocols, nursing education and clinical competencies as well as public health nursing workforce development initiatives.

The Center for Health Equity was established in September 2008 and functionally operates through the Commissioner's Office. The Center seeks to eliminate health disparities in the state of Kentucky specifically those social, cultural, and environmental factors that contribute to adverse health outcomes. The Office serves in an advisory capacity to all divisions across the Department of Public Health.

Administration and Financial Management provides resource support to the Department for Public Health including approximately 400+ department-level personnel. It provides budget and accounting support, payments, grant allocation, fee collection, procurement, and contracting support, as well as oversight of local health departments' fiscal planning and administrative management functions. The Department's biennial budget is developed by Administration and Financial Management. It works in concert with the other health services programs in the Department to plan, program, execute, manage, and report the financial activities of the Department and local health departments. Administration and Financial Management also plays a vital role in providing effective and efficient training that enhances workforce abilities of the department, local health departments, public health preparedness, and other public health system partners.

The program is also responsible for providing guidance on the day-to-day operation of the 61 local health jurisdictions across the state and has the responsibilities for personnel management of nearly 2,600 local health personnel; medical records and forms management, reporting of clinical and community-based services, policy interpretation, and the Local Board of Health nomination process. Training on medical coding and billing practices, local health personnel procedures, and financial operations is also provided by program staff.

The Division of Women's Health (DWH), in partnership with key stakeholders, provides leadership to improve the physical and socio-emotional health, safety, and well-being of Kentucky's women, including those with low incomes, diverse ethnic or racial backgrounds and isolated populations with limited access to care. The Division also represents Kentucky for the federal Health Resources Service Administration (HRSA) Office of Women's Health. The DWH includes the following programs:

The Kentucky Women's Cancer Screening Program (KWCSP) provides breast and cervical cancer screenings and diagnostic case management and treatment referral services to reduce cancer morbidity and mortality among Kentucky's medically underserved, low income, and uninsured women. The Kentucky Women's Cancer Screening program is funded by a federal grant from the Centers for Disease Control and Prevention (CDC). The CDC grant requires the program: to provide appropriate referrals for medical treatment; to assure appropriate follow-up services and case management; to develop and disseminate public information and education programs for the detection and control of breast and cervical cancers; to improve the education, training, and skills of health professionals; to monitor the quality of screening procedures for breast and cervical cancers; and to evaluate activities through appropriate surveillance.

The Breast Cancer Research and Education Trust Fund program, created in 2005, is funded by revenue collected from the breast cancer license plates purchases and the State Income tax form optional checkbox. Funds collected through these methods are distributed to community-based affiliates through an annual Request for Proposal process. Projects awarded support breast cancer research, education, treatment, screening, and awareness in Kentucky.

The Folic Acid Counseling and Supplementation program services are provided in all 61 local health departments (LHDs) and sub-delegate sites. Research has shown that when women consume adequate folic acid, the incidence of neural tube defects such as spina bifida can be decreased by as much as 70%. The Folic Acid program is funded by Tobacco Settlement funds.

The Title X Family Planning program provides individuals with the information and means to exercise personal decisions to determine the number and spacing of their children. Title X family planning clinics play a critical role in assuring access to voluntary, confidential family planning services for low-income or uninsured families. Charges to participants are at no cost or at a reduced cost based on their household income. Family Planning services are offered in LHDs and clinics targeting special populations (e.g. males, Hispanics, and adolescents). Title X supported clinics also provide a number of preventive health services such as: patient education and counseling, breast and pelvic examinations, cervical cancer screenings, sexually transmitted diseases, and human immunodeficiency virus (HIV) screenings, preconception counseling, and pregnancy diagnosis. The Title X Family Planning program is funded through the federal Office of Population Affairs, Health and Human Services agency.

The Abstinence Education Grant Program provides abstinence education to middle school students (fifth through eighth grade) to encourage students to choose abstaining from sexual activity as the best choice to achieve optimal health and well-being. This program provides students with knowledge about the physical and emotional benefits of abstaining from sexual activity until adulthood and equips them with refusal skills and decision-making skills to accomplish this goal.

The Personal Responsibility Education Program provides ready-for-adulthood education to teenagers age 13-18 in middle and high school. Two programs are utilized to provide age-appropriate, abstinence-based, comprehensive sexuality education and other positive youth development subjects. One program is delivered in the classroom setting for 5-10 days and the other program is an after-school program delivered throughout the school year. Curriculum delivered in the classroom includes sexual health subjects and information on healthy relationships, self-esteem, goal setting and decision making skills. Additionally, the afterschool curriculum includes lessons on values and community and 20 hours of community-service learning each year.

The Prevention and Quality Improvement Program is comprised of two subprograms: Chronic Disease Prevention and Health Care Access.

The mission of the Prevention and Quality Improvement (PQI) program is to deliver programs and services, including chronic disease management, clinical and community education/promotion, quality improvement, health access for low income Kentuckians, and health risk behavior data analysis in order to promote healthy behaviors by Kentuckians. The program's activities cover the spectrum of population-based and personal preventive health services, delivered through a wide range of health care providers and related groups.

The PQI program provides leadership and partners with key stakeholders in order to improve care and services to the public comprised of low incomes, diverse ethnicity and racial backgrounds, and isolated populations with limited access to care. Program staff support clinical and community based services and infrastructure building through policy development and implementation, surveillance activities, case management, and technical assistance.

The PQI program identifies best practices to reduce the risks of poor health and sets standards to focus more on positive outcomes. This is accomplished through community-based health education programs, clinical care programs for adults primarily of a preventive nature, awareness and education, and promotion of an adequate network of primary care providers throughout the Commonwealth especially in the underserved areas of the state.

The PQI program is responsible for the Kentucky Prescription Assistance Program (KPAP) and the Kentucky Colon Cancer Screening Program (KCCSP).

Chronic Disease Prevention and Control subprogram is responsible for decreasing the morbidity and mortality from chronic diseases, with emphasis on prevention and risk factors that can be reduced through healthy lifestyles. Prevention programs include asthma, arthritis and osteoporosis, comprehensive cancer, colon cancer, chronic obstructive pulmonary disease, diabetes, heart disease and stroke, and worksite wellness. The sub program provides funding to local health departments for community-based services aimed at individuals and at bringing about policy and environmental changes that will improve the health status of Kentuckians. This branch also manages the Kentucky Colon Cancer Screening Program (KCCSP).

The Health Care Access subprogram provides a departmental focus on primary care and administers federal grants and programs relative to primary care. Through these programs, approximately 150 additional physicians are serving Kentucky's medically underserved population. The Program is responsible for determining areas of Kentucky that meet Health Professional Shortage Area and Medically Underserved Area criteria. This subprogram is also responsible for the Charitable Health Program, the National Health Service Corps Program, Kentucky Physician Care Program, J-1 VISA Program, and the Kentucky Prescription Assistance Program (KPAP) and the Kentucky Spinal Cord and Head Injury Research Board.

The mission of the Division of Epidemiology and Health Planning is to provide quality epidemiological and vital records services, public health planning and preparedness services, and reportable disease prevention and control services in order to promote, protect, and plan for the health and safety of Kentuckians. The division has responsibility for much of the three D's in public health: "Health Data, Acute Disease Prevention and Control, and Disaster Preparedness."

To accomplish these responsibilities, the Division conducts activities in four areas:

- The Infectious Disease Branch, which includes disease surveillance, prevention, and control activities related to vaccine-preventable diseases, sexually transmitted diseases, tuberculosis, adult viral hepatitis, healthcare associated infections, and other reportable diseases,
- The HIV/AIDS Branch, which includes prevention activities, client services, and surveillance for HIV/AIDS,
- The Office of Vital Statistics, which collects and preserves mandatory records of vital events including births, deaths, marriages, and divorces, and
- The Public Health Preparedness Branch, which includes the development, implementation, and exercising of statewide emergency preparedness plans for both terrorist (nuclear, biologic, chemical) threats as well as naturally occurring disease outbreaks.

The Immunization Program provides financial support and vaccines to local health departments (LHDs) and other providers for the provision of over one million immunizations each year to about 550,000 persons. Immunization rates are tracked in schools, day care, LHD clinics, and the general child population.

The Sexually Transmitted Disease (STD) Program is designed to reduce the occurrence and prevent the transmission and debilitating complications of sexually transmitted diseases. The STD Program provides educational materials, staff training, program planning and evaluation services, technical consultation, and selected antibiotics to all LHDs and other selected health care providers.

The Tuberculosis (TB) Control program aims to reduce the number of cases and deaths due to TB by preventing non-infected individuals from becoming infected, keeping those infected without disease from progressing to disease, and by attempting to maintain infected individuals with disease as non-infectious.

The Adult Viral Hepatitis Prevention Program is a federally funded program that focuses on the prevention of viral hepatitis in adults caused by hepatitis A, hepatitis B, and hepatitis C viruses.

The Healthcare Associated Infection (HAI) Program establishes an infrastructure within the Kentucky Department for Public Health to develop statewide activities focused on the prevention of HAIs within healthcare facilities.

The Reportable Disease Program is responsible for case confirmation, oversight of disease investigations, and surveillance for reportable diseases such as meningitis, hepatitis, diarrheal diseases, foodborne illnesses, and vector-borne diseases.

The HIV/AIDS Branch seeks to identify and track cases of HIV and AIDS, prevent the disease by raising awareness and promoting risk reduction behaviors, and connect HIV-positive clients to care. The HIV Prevention Program focuses on testing, awareness of one's status, and strategic intervention activities to reduce HIV transmission for at-risk populations. The HIV/AIDS Services program assists HIV-positive clients with case management, in addition to providing life-saving medications and insurance continuation for qualified clients, as a payor of last resort.

The Office of Vital Statistics is responsible for the registration, certification, and issuance of vital records (birth, death, marriage, and divorce certificates) in Kentucky. The program's primary responsibility is the maintenance and security of these vital records as well as responding to specific requests for vital statistics data.

The Public Health Preparedness Program has the responsibility of developing, coordinating, and overseeing the public health response to potential disaster events. It prepares the Commonwealth for disease outbreaks and other public health threats by integrating local public health assets, upgrading the State Laboratory to the capacity required by the Centers for Disease Control and Prevention, and providing hospitals and healthcare facilities across the state with funding to ensure preparedness for events attributable to disasters.

The Maternal and Child Health (MCH) Program promotes and safeguards the health of all Kentuckians, with an emphasis on at-risk mothers, infants and children. The program goal is to help those at risk achieve the highest level of health and wellness possible through public health surveillance, education, nutrition, perinatal care, early childhood promotion and intervention, well-child care, oral health, injury prevention, coordinated school health, tobacco prevention and control, obesity prevention, and healthy communities, and selected primary and preventive care activities. The MCH Program is responsible for public health surveillance systems including the Neonatal Abstinence Reporting, Pregnancy Risk Assessment Monitoring System, the Sudden Unexpected Infant Death Registry, and Zika Birth Defects Surveillance.

The MCH Division is responsible for carrying out services under the following federal and state laws and regulations:

Title V of the Social Security Act, Section 501.516(a).8, and (10) Federal Omnibus Budget Reconciliation Act 1981, Public Law 97-35; Public Law 90-248.

Title V of the Social Security Act, 42 USC, Section 705(a)(5)(F)(iv) Rules for Early Periodic Screening, Diagnostic, and Treatment Services Linkages

KRS 156.501: Provide half of the cost toward a Kentucky Department of Education School Nurse Consultant KRS 199.894: Technical assistance for childcare providers through the Healthy Start in Child Care Program KRS 211.180 "...the protection and improvement of the health of expectant mothers, infants, preschool, and school age children." The MCH Division provides oversight to the services and activities that focus on these populations,

KRS 211.180: Well Child and Adolescent Health Services

KRS 211.900-211.905, 211.994, and KRS 211.180: Statewide program for prevention, screening, diagnosis and treatment of childhood lead poisoning

KRS 211.190, KRS 214.160, KRS 213.161, and 902 KAR4:100: Prenatal/Maternity Services

KRS 211.651: Kentucky Birth Surveillance Registry (obtains data on children with birth defects)

KRS 211:674: Perinatal Advisory Committee

KRS 211.676: Neonatal Abstinence Syndrome established as a Public Health Reportable disease

KRS 211.684: Child Fatality Review Process and teams established

KRS 158.854,194A, 902 KAR 18, WIC Program, under the Federal Child Nutrition Act of 1966, 42 USC 1786, federal regulations 7 CFR Part 246.

KRS 214:155: Newborn Metabolic Screening, Metabolic Foods and Formula; related, 902 KAR 4:035: Cost Reimbursements for Uninsured for metabolic foods and formula

KRS 211.690: Defines Health Access Nurturing Development Services, HANDS, as a voluntary statewide home visitation program for the purpose of providing assistance to overburdened parents. 902 KAR 4:120 details components of the program.

KRS 200.652: Authorizes the Part C Early Intervention Program (First Steps) for families of an infant or toddler with a developmental disability.

902 KAR 115:010: Water fluoridation for the protection of dental health

902 KAR 115:020: Enforcement of Water fluoride program

The Early Childhood Development subprogram is required, by statute, to provide early childhood initiatives such as home visitation (Health Access Nurturing Development Services or HANDS), childcare health consultation, early childhood mental health services for children, Kentucky Strengthening Families, and Help Me Grow. The Early Childhood Development subprogram also identifies children in Kentucky who are at-risk for serious medical conditions and developmental delays through the Newborn Metabolic Screening and Case Management program and Kentucky Birth Surveillance Registry, both of which are also in statute.

The Kentucky Early Intervention System (KEIS) subprogram, also referred to as First Steps, provides case management and coordination of services for infants and toddlers between birth and three years of age with developmental disabilities or developmental delays. These early intervention services include services such as physical therapy, occupational therapy, speech therapy, hearing and vision services, and other services as needed to meet the child's developmental needs. First Steps services are provided in the home or other community settings, unless it is not feasible to do so, and are subject to a sliding fee scale unless the family has documented an inability to pay. Families and other interested parties access the First Steps program locally through 15 Points of Entry covering the state. Children served by First Steps transition at age three to the local education agency or other community supports.

The Child and Family Health Improvement subprogram provides oversight to services and activities including: prenatal care; child and adolescent preventive health; childhood lead poisoning prevention; child fatality review and injury prevention; oral health; and coordinated school health. This sub-program also houses our infant mortality efforts, including the Safe Sleep campaign.

The Nutrition Services subprogram administers the Special Supplemental Nutrition Program for Women, Infants and Children (WIC); Clinical Nutrition Services, Breastfeeding Peer Counselor Program; and the WIC Farmer's Market Nutrition Program. The Women, Infants and Children program is funded wholly by the US Department of Agriculture and provides food packages and nutrition education to low-income pregnant and post-partum women, infants and children at nutritional risk, and sets standards for nutrition services. Nutritionists in local health departments provide medical nutrition therapy and follow-up nutrition care for mothers and children with special nutrition needs.

The Health Promotion subprogram administers programs that focus on behavioral risk factors to promote lifestyle changes for developing a healthy community. The subprogram provides services in the areas of Tobacco Cessation and Control, Tobacco Quitline, Obesity Prevention, and Healthy Communities Projects.

Laboratory Services provides chemical, biological, and molecular testing to address a variety of public health concerns that require very sophisticated and accurate laboratory analysis. The scope of these concerns spans from global preparedness and environmental to clinical and epidemiological.

Protection of the state and nation's health is supported through disease surveillance activities that use sophisticated equipment and result in early detection of outbreaks caused by emerging infectious diseases, which is essential for guiding epidemiologic investigations that determine the measures needed to prevent and control the spread of disease.

Laboratory Services is responsible for the prompt detection and identification of a wide variety of microorganisms, such as bacteria and viruses, and toxic chemical substances that pose a threat to the public's health. It provides examinations of clinical and environmental specimens to support other state and local health department programs and diagnostic testing not readily available elsewhere for hospitals and practicing physicians. Additionally, it tests environmental samples for water fluoride levels; examines milk, food, and water for evidence of biologic and/or chemical contamination; and performs complex analyses for the detection of pesticides and other environmental and/or workplace chemicals. It is also responsible for the prompt detection of a variety of heritable conditions in newborns.

Federal funds are received from grants and a cooperative agreement with Occupational Safety and Health Administration and agency fees are collected for newborn metabolic screening.

The state public health laboratory is certified by the College of American Pathologists as a high-complexity laboratory, obligating it to meet the most stringent of requirements.

The Division of Public Health Protection and Safety provides a variety of environmental health services to the general public and other local and state agency partners. These services range from monitoring exposure to radiation to ensuring sanitation of food, milk, and various public facilities including hotels, swimming pools, tattoo studios and others. These programs provide technical consultation, guidance and training to the sixty-one (61) local health departments (LHDs); some 500 LHD environmental registered sanitarians, and provide regulatory oversight to thousands of Kentucky's regulated businesses. The Program's mission statement is: promoting a healthier, safer public through prevention, education, communication, and regulation.

The Radiation Heath subprogram inspects and issues over 720 licenses to users of radioactive materials. The subprogram monitors the transportation of radioactive waste throughout the Commonwealth, and is mandated and equipped to respond to radiological emergencies 24 hours a day. The subprogram registers and inspects more than 4,000 facilities with 10,715 X-Ray tubes, and conducts reviews and inspects approximately 164 mammography facilities and approves approximately 65 shielding plans for facilities. The subprogram also operates a radiation health laboratory which collects and analyzes approximately 5,000 environmental samples for radiologic contamination annually and conducts over 6,000 analyses on the samples. This subprogram also provides monitoring for radiologic sites such as the Maxey Flats Disposal Site and the Paducah Gaseous Diffusion Plant. Approximately 17,700 quality control analyses are also conducted annually.

The Milk Safety subprogram operates under Kentucky Revised Statute Chapter 217C, to prevent adulteration, misbranding, and false advertising of milk and milk products and protects the public from disease transmission through milk products. This mandate is achieved through inspections of dairy farms, dairy plants, micro-processors, distributors, milk haulers, and all other identities which improve the quality of milk that is produced and sold to the public. This subprogram also monitors the development of product standards of identity and legal labeling for all dairy products as mandated by the U.S. Food and Drug Administration (FDA) and the U.S. Department of Agriculture. Kentucky adopted the 2011 edition of the Pasteurize Milk Ordinance, a federally mandated ordinance which ensures certain quality standards and which allows milk produced and processed in Kentucky to be produced, processed, transported and sold to all other forty-nine states.

The Food Safety subprogram provides regulatory oversight to Kentucky's multi-billion dollar food industry. The subprogram provides training and technical consultation to LHD employees who inspect food service establishments, retail food stores, vending machine companies, tattoo studios, body piercing facilities, boarding homes, tanning facilities, and bed and breakfast establishments in order to prevent the spread of communicable diseases and injuries. The subprogram also directly regulates food manufacturing and storage programs and the farmer's market for program compliance with state regulation. The subprogram responds to and investigates food recalls and works closely with the federal FDA on outbreak investigation involving regulated foods. The Food Safety subprogram is also actively involved during natural and man-made disasters to protect the food supply.

The Environmental Management subprogram is responsible for the oversight and regulatory requirements involving public facilities, including hotels/motels, public restrooms, schools, state confinement facilities, public swimming and bathing facilities, mobile home/recreational vehicle parks/communities, and youth camps through annual operating permits and routine inspections as required by law. The subprogram provides technical assistance and training to the sixty-one (61) LHDs which provide direct inspection of the regulated entities. The subprogram is also responsible for: conducting initial certification and ongoing specialized trainings to LHD environmental staff, providing continuing education for septic system installers, approving septic system components and experimental designs, providing consumer education on such issues as mold and bedbugs, operating a radon education program, and providing support for both the rabies control program and issues regarding private water sources. The subprogram additionally is responsible for maintaining certifications and tracking continuing education for certified radon professionals.

This subprogram also ensures that public health nuisances (illegal garbage dumps, accumulation of trash and garbage, rodent infestations, mosquito infestations, and untreated sewage) are investigated and abated by LHD inspectors. Through its education, investigation, permitting, and inspection activities, the Environmental Management Branch has a direct effect on protecting the lives of the public as well as, the operation of most private business entities.

The Public Safety subprogram is responsible for the regulation and certification of lead abatement professionals and clearance testing of mitigated properties. This subprogram also oversees the public swimming pool construction program and the methamphetamine contaminated properties program. Public Safety provides epidemiological support for disease cluster investigations and supports statistical and standardized reporting of environmental data. This subprogram houses the CDC funded program, which provides data to the Environmental Public Health Tracking Network to establish links between the environment and health outcomes.

The Office of Health Policy is charged with administering the state certificate of need program and coordinating with other Cabinet for Health and Family Services (CHFS) agencies as well as state agencies outside CHFS regarding health care policy issues and health data collection.

There are two functions within the Office of Health Policy: Health Policy Development and Certificate of Need.

The Health Policy Development staff seeks to provide coordination among state agencies and programs including: The Department for Medicaid Services, Department for Behavioral Health and Developmental and Intellectual Disabilities and the Department for Public Health as well as agencies outside the Cabinet such as Department of Insurance and the Kentucky Employees' Health Plan. In addition to coordinating health policy and health insurance issues, staff oversees legislative and regulatory efforts to ensure that proposed statutes and regulations are consistent across departments, consistent with the overall goals of the cabinet, and develops health insurance policy in coordination with the Kentucky Department of Insurance. Staff is also responsible for collecting and analyzing statewide health data critical for sound decision making. Through its policy work, data collection and analysis, the Office identifies opportunities for preparing and distributing relevant information to the public about health, health care and public policy.

The Certificate of Need (CON) staff is responsible for administering the certificate of need program in order to prevent unnecessary proliferation and/or duplication of health care facilities, health services and major medical equipment that increase the cost of health care within the Commonwealth. Staff are responsible for developing the State Health Plan which guides the decision-making process for many types of CON applications. The proposed State Health Plan goes through an extensive review process allowing for comment and input from the public as well as the provider community.

A certificate of need is required to establish a health facility, to change bed capacity of health facility, to make a substantial

change in a project (as defined by KRS Chapter 216B.015), to add a health service for which there are review criteria in the state health plan, to add a service subject to licensure, to obligate a capital expenditure or acquire major medical equipment which exceeds a specific threshold, or to change the geographic area which has been designated on a certificate of need or license.

The Kentucky Education Reform Act (KERA) of 1990, KRS 156.496 and KRS 156.4977 as amended, created the Family Resource and Youth Services Centers (FRYSC). FRYSC provides technical assistance, as well as administrative and training support to the local school-based FRYSC. The primary goal of these centers is to enhance student ability to succeed in school by developing and sustaining partnerships that promote early learning and successful transition into school, academic achievement and well-being, graduation, and transition into adult life.

Each center has a unique blend of program components depending on location, available services, local need, and community input designed to promote the flow of resources and support to families in ways that strengthen their functioning and further the growth and development of each member. Services may include after-school child care, literacy programs, home visits to new/expectant parents, support and training for child day care providers, referrals to social services, employment counseling, summer and part-time job development, drug/alcohol counseling, and family crisis and mental health counseling. Centers also offer programs such as peer mediation, conflict resolution, pregnancy prevention and job shadowing.

Selected FRYSCs are also participating as a partner in one of the Race to the Top: Early Learning Challenge initiatives: Born Learning Academies. Kentucky incorporated the academies as part of its Race to the Top grant application. Kentucky proposes to expand the number of Born Learning Academies to 150 more elementary schools over four years. Through a gradual release approach of this evidence-based model, local Academies are implemented to assist parents of preschool children. The Born Learning Academies, which consist of six sessions, enable families to better understand early learning and development of their child by using everyday activities and occurrences as learning moments. FRYSCs currently work in every high-need elementary school in the Commonwealth. The goal of the Race to the Top is full integration of the Born Learning model into FRYSCs core grant components within five years.

Policy

The <u>Budget of the Commonwealth</u> includes an additional \$4,100,000 in fiscal year 2017-2018 and \$9,791,700 in each fiscal year of the 2018-2020 fiscal biennium to support Family Resource and Youth Service Centers.

The Kentucky Commission for Community Volunteerism and Services (KCCVS) was created in 1994 to serve as a conduit for federal funds that support AmeriCorps programs in the Commonwealth and to assume responsibility for the statewide coordination of volunteer activities.

Federal funds received by KCCVS are contracted to community organizations that, in turn, receive local matching funds, which include cash and in-kind services. AmeriCorps members provide household budget training, home renovation assistance, life skills training, and services to help senior citizens live independently. They train volunteers, serve the homeless, mentor at-risk youth, and offer assistance to victims of natural disasters. In addition, participants tutor children in math and reading and provide drug abuse prevention education in elementary and secondary schools. Children tutored by AmeriCorps members tend to advance a minimum of two reading levels during the school year. Since 1994, Kentucky AmeriCorps members have served more than 15 million hours and have qualified for Education Awards totaling more than \$34.1 million.

The Department for Income Support is responsible for administering Child Support Enforcement and Disability Determination Services.

These programs help to ensure that children are financially supported by parents who are legally obligated to pay child support and to determine medical eligibility for residents of the Commonwealth who apply for Social Security and Supplemental Security Income disability benefits from the federal government. The Department's mission is to facilitate financial and medical support services that enhance family wellness.

Disability Determination Services (DDS) determines medical eligibility for residents of the Commonwealth who apply for Social Security and Supplemental Security Income disability benefits from the federal government. The DDS reevaluates the claims of disability recipients who have been selected for a periodic review of their medical condition and conducts face-to-face evidentiary hearings for those individuals who appeal an unfavorable review of their continuing eligibility.

Disability Determination Services workload depends upon:

- the number of individuals who apply for disability benefits through the Social Security Administration (SSA),
- · the number of claims that SSA selects for continuing review and sends to DDS, and
- · Congressional mandates, legal actions or other initiatives.

The Child Support Program under Title IV-D of the Social Security Act (PL 93-647) is designed to ensure that children are financially supported by parents who are legally obligated to pay child support. Both the state and federal governments share costs to conduct this program. State statutes governing the operation of this program were enacted under the Kentucky Child Support Recovery Act and are contained in KRS 205.710 - KRS 205.800.

The core functions of the child support program include locating parents; establishing paternity; establishing, enforcing, and modifying child support orders; and collecting and disbursing child support payments. Program responsibilities include the establishment and enforcement of medical support. In addition to traditional judicial processes, state and federal laws allow the Child Support Program to accomplish its mission through administrative processes such as inhospital paternity establishment, wage assignments, liens and levies on personal property and assets, and offsetting tax refunds and unemployment benefits. The Child Support Program maintains program administration contracts with 117 county officials to provide child support collection locally in all 120 counties.

Child support services are automatically provided to families receiving assistance under the Kentucky Transitional Assistance Program (K-TAP) or Medicaid, and to children placed in the care of the Cabinet for Health and Family Services. Payment collected for families receiving K-TAP and children in the care of the Cabinet for Health and Family Services is used to reimburse the state and federal governments for benefits expended on behalf of those families and children. Families that do not participate in the cash or medical assistance programs may also apply for child support services.

The Child Support Enforcement Program receives incentive payments from the federal government based on program performance in five program areas: Paternity Establish Performance for Title IV-D and Statewide, Support Order Performance, Current Payment Performance, Arrearage Payment Performance and Cost-Effectiveness Performance. The Deficit Reduction Act (DRA) of 2005 disallowed use of federal performance incentives as state matching funds for Federal Financial Participation (FFP).

The Department for Community Based Services (DCBS) is responsible for administering the following programs: Family Support (including Temporary Assistance to Needy Families; Supplementation Nutrition Assistance Program; Medicaid and health insurance affordability program eligibility; and State Supplementation for aged, blind or disabled individuals); Energy Assistance; Child Care; and Family and Community Based Services (including Family Based Services, Adult Services and Alternatives for Children).

These programs benefit Kentuckians who are without sufficient resources to meet their basic needs. The Department's mission is to preserve the family as a unit when possible and protect individuals from abuse, neglect, and exploitation with safety and permanency as the paramount goals.

Family Support consists of the following programs: Temporary Assistance to Needy Families (TANF); Supplemental Nutrition Assistance Program (SNAP), formerly known as Food Stamps; eligibility determination for Medicaid and for health insurance premium assistance through the Kentucky Health Benefit Exchange; and State Supplementation Program for persons who are aged, blind, or have a disability (State Supplementation). The programs administered by the Division of Family Support are designed to promote self-sufficiency, job training assessment, and the delivery of basic essential services for families and children who need assistance. Programs are accessible to all residents of Kentucky counties. Each local office has the responsibility to determine eligibility, provide facts and information of available benefits as well as the regulatory limitations of available benefits, and maintain case record information.

The National Voter Registration Act of 1993, also known as the Motor-Voter Act, requires agencies that deliver services to persons with disabilities or provide benefits under the Temporary Assistance for Needy Families/Kentucky Transitional Assistance Program, Special Supplemental Nutrition Programs for Women, Infants and Children (WIC), Medicaid, or SNAP, as well as Armed Forces Recruiting Stations and driver licensing stations to make available voter registration applications to their clients. Since Family Support administers two of these programs, it distributes voter registration forms, provides assistance in completing these forms, and ensures completed forms reach the proper state election office for processing in order to comply with this mandate.

Temporary Assistance for Needy Families (TANF)

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193) amended and combined Title IV-A (Aid for Families with Dependent Children or AFDC) and Title IV-F (Job Opportunities and Basic Skills Training Program or JOBS) of the Social Security Act to provide block grants to states for TANF. These federal funds support the program's administrative and benefit expenditures that include personnel, operating, and indirect costs; contracts with partnering agencies; cash assistance subsidies; supportive services; child care; and transportation. A Maintenance of Effort requirement mandates that states spend at least 80 percent of fiscal year 1994 expenditures on the program each year. For Kentucky, this amount is \$71.9 million per year.

The Kentucky Transitional Assistance Program (K-TAP) is the Commonwealth's cash assistance program for families with a dependent child who is deprived of parental support due to the continued absence, unemployment, incapacity, or death of one or both parents. Monthly payments are designed to help adults find a job or obtain training that leads to employment. Gross income must fall below a level appropriate for the family's size, and total family resources cannot exceed agency limits.

The Kentucky Works Program assists recipients with their transition into the workforce and attainment of self-sufficiency. Adults receiving K-TAP benefits must participate in this program and, with the help of a case manager, develop a Transitional Assistance Agreement. Kentucky Works Program activities include employment, on-the-job training, work experience training programs, a job search/job readiness component, vocational training or other educational services, community service, high school completion for teen parents, and other activities necessary to prepare for employment. Referrals to providers of transportation, child care, and supportive services such as car repairs and supplies ensure that individuals are able to take part in this program.

Safety Net Services are available to former K-TAP families who lose cash assistance as a result of time limits or failure to comply with requirements of the Kentucky Works Program. Families with an income at or below 200 percent of the federal poverty level can access temporary benefits to meet basic needs such as shelter, food, clothing, or utilities. Following a qualifying event, a total of \$635 may be authorized for four months during a 12-month period.

The Family Alternatives Diversion Program (FAD) provides an alternative for families, who, while otherwise eligible, choose not to receive K-TAP cash assistance. A maximum of \$1,300 is available to assist the family with immediate needs such as food, shelter, transportation, etc. These benefits may be authorized for a three-month period. FAD may be approved once during a 24-month period and no more than twice in a lifetime.

The Kinship Care Program provides financial assistance and support services to non-parental relatives caring for children who cannot remain in the home of their parents due to abuse, neglect, or the death of both parents. Effective April 1, 2013, the Department for Community Based Services (DCBS) issued a moratorium impacting a child's initial eligibility for the Kinship Care Program; however, the moratorium did not apply to previously existing beneficiaries. A one-time relative placement support benefit and K-TAP are available to address a child's immediate and ongoing needs, respectively, upon placement by the Department with a qualified relative caregiver as an alternative to foster care.

Efforts to partner with local communities to achieve the goals of self-sufficiency, protection, and permanency for Kentucky's families continue. The flexibility of the TANF block grant has allowed the Department to pursue initiatives such as change management and organizational restructuring and, as a result, better address the needs of those striving to escape a life of dependency.

Medicaid Eligibility and Health Insurance Affordability

DCBS determines eligibility for the Medicaid program under a contract with the Department for Medicaid Services. The Medicaid program is authorized under Title XIX of the U.S. Social Security Act and KRS 205.520 and has expanded through state option made available through the Patient Protection and Affordable Care Act (P.L. 111-148), as amended by Health Care and Education Reconciliation Act (P.L. 111-152).

The Department provides eligibility determination services for health insurance premium assistance program via the state-based American Health Benefit Exchange (Kentucky Health Benefit Exchange) established in accordance with P.L. 111-148, as amended, and 42 U.S.C. 18031

State Supplementation

The State Supplementation Program, authorized by KRS 205.245, provides financial support to aged, blind, or disabled individuals who have insufficient income to meet their needs in a licensed personal care home or family care home, or to purchase caretaker services designed to prevent institutionalization. To be eligible, persons must meet the criteria of the Social Security Income program related to age, blindness or disability as well as additional requirements associated with citizenship, Kentucky residency, and special needs.

Supplemental Nutrition Assistance Program (SNAP)

The Supplemental Nutrition Assistance Program (SNAP), formerly known as Food Stamps, helps low-income persons purchase food for a nutritional diet. SNAP has its origins in the Food Stamp Act of 1964 (P.L. 88-525). It is designed to promote the general welfare and safeguard the health and well-being of the nation's population by raising nutritional levels among low-income households. "Household" is defined as any individual, family, or group of people living with each other who buy and prepare food together. To qualify, each household must meet eligibility standards.

The SNAP Employment and Training Program (E & T) is designed to assist able-bodied SNAP recipients obtain employment that leads to self-sufficiency. In Kentucky, E & T serves only non-exempt work registrants between the ages of 18 and 49, otherwise known as Able-Bodied Adults without Dependents. Recipients of this service must participate and comply with E & T requirements in order to maintain their SNAP eligibility.

Policy

The <u>Budget of the Commonwealth</u> includes \$1,800,000 General Fund in fiscal year 2019-2020 and \$3,300,000 General Fund in fiscal year 2019-2020 lifting the Kinship Care moratorium issued in March 2013.

The <u>Budget of the Commonwealth</u> includes \$3,380,000 General Fund for additional Social Worker and administrative support positions within Community Based Services to improve workforce, upgrade technology and address caseload levels.

The Low Income Home Energy Assistance program is a federally funded program that helps low-income households meet their home heating and/or cooling needs through direct fuel bill subsidies.

The Home Energy Assistance program, authorized by KRS 205.400, provides support with home heating/cooling costs for low-income households. Services include accepting applications, determining eligibility, implementing an outreach component, and coordinating this program with other energy assistance initiatives. Eligibility criteria include income that does not exceed 130 percent of the federal poverty level, resources that total less than \$2,000 (or \$3,000 if at least one person in the household is either age 60 or older or disabled, \$4,000 if there is a catastrophic illness in the household), and the responsibility for home heating expenses. This program is divided into two components. The subsidy component assists recipients with home heating costs for which they are responsible either by direct payment or as an undesignated portion of their rent. The crisis component assists eligible households experiencing a home energy emergency involving imminent loss of heating energy.

The Child Care Program administers the child care assistance subsidy program, the STARS quality rating system, as well as a professional development framework for child care providers. The primary funding services for the program include the federal Child Care Development Fund, state General Fund and Tobacco Settlement-Phase I funds.

The Child Care Development Fund (CCDF) was created by Congress in August 1996 as part of the federal welfare reform legislation. Child care services delivered through CCDF are designed to promote, expand, and improve the quality of care for children in Kentucky and ensure that families most in need are aware of and have access to available, quality child care which is developmentally appropriate, affordable, and safe. The Cabinet for Health and Family Services' approach to service delivery combines the efforts of Cabinet staff and other service providers to address a family's needs in a comprehensive fashion thereby maximizing the likelihood that a family will achieve positive outcomes. Child Care serves Kentucky's most vulnerable children prioritizing children receiving child protective or preventive services, Temporary Assistance for Needy Families (TANF) recipients and persons transitioning off TANF, children with special needs, and teen parents. Children of low income working families are also eligible for child care assistance.

CCDF Regulation 45 C.F.R. Section 98.51 mandates that no less than four percent (4%) of the aggregate funds expended by the lead agency for the fiscal year be spent for quality activities which include child care health and safety requirements, STARS for KIDS NOW and early care and education professional development. Moreover, CCDF requires that additional funding be set aside for quality initiatives to address the following topics: infant and toddler care, school age care and resource and referral services.

Child Care invests in support services required to allow parents to be self-sufficient without sacrificing the well-being of their children. The CCDF was last reauthorized in 2005 and the goals of access and quality compete for limited childcare resources.

The Child Care Assistance Program is one of the support services directed at: (1) eliminating barriers to work and education for parents; (2) strengthening and maintaining client families; (3) providing early educational opportunities for at-risk children; (4) preventing or remedying abuse, neglect or exploitation of children; (5) preventing family dissolution; and (6) preventing out of home placements; These services are provided by subsidized child care through the CCDF for full and part-day care through the use of licensed providers, certified family child care homes and registered providers. Childcare services are intended to supplement, but not supplant, the parents' responsibility for the child's protection, development, and supervision. To that end, children with special needs and child protective services cases are the top priority for the Division of Child Care. In addition, childcare funding is also used to support low-income working parents and TANF client's efforts to find and keep jobs and transition off welfare. Licensed centers and homes, certified family childcare homes, and registered providers including relative and non-relative providers meeting enrollment requirements and health and safety guidelines, are reimbursed for services at approved rates for eligible, enrolled families.

Due to a projected budget shortfall in fiscal year 2014 the following changes were implemented in the Child Care Assistance Program:

- Effective April 1, 2013 DCBS froze intake for new low-income clients; and
- Effective July 1, 2013 DCBS reduced the CCAP income eligibility threshold from 150% of the 2011 Federal Poverty Level (FPL) at initial application and 165% FPL at redetermination to 100% FPL for redetermination.

Additional funding in the 2014-2016 biennial budget restored funding to enable the freeze to be lifted and to restore income eligibility levels back to the 150% of the 2011 federal poverty level and 165% redetermination levels.

The STARS for KIDS NOW Program is part of Kentucky's Early Childhood Initiative and is a voluntary quality rating system that places major emphasis on raising the quality level of early care and education in child care settings. STARS for KIDS NOW monetary incentives and rewards are granted to childcare providers based on environmental scoring using identified characteristics associated with positive outcomes for children and families. Through the provision of technical assistance, providers work to achieve quality indicators in their Environmental Rating Scale to achieve a STAR Level of 1 through 4. Programs receiving STARS Levels 1 through 4 rating surpass the minimum licensing or certification requirements per regulations. Programs are assessed in the following areas: staff/child ratios, group size, curriculum, family involvement, training and education of staff, regulatory compliance, and personnel practices. The Department is an active participant in the Race to the Top, Early Learning Challenge grant. Kentucky is currently in the process of revising the STARS Quality Rating system requirements and expanding the requirements to include not only child day care centers, but public preschool and Head Start programs as well. The Department will be piloting the new requirements during fiscal year 2016.

The Professional Development System is also part of Kentucky's Early Childhood Initiative. The Division has put in place the "Kentucky Childhood Professional Development Framework" which addresses the needs for education, training and credentialing of early care professionals in Kentucky and represents a culmination of months of planning and input from multiple stakeholders across the state. The Framework identifies individual core competencies, credentials, scholarships, grants, awards and training criteria to early care and education professionals. Additionally, targeted quality set-asides under CCDF are being utilized to promote and improve the quality of infant/toddler training opportunities, enhance professional development activities, improve education in child care programs, improve staff and child interactions, increase parental involvement, and facilitate regulatory compliance to all child care programs.

Childcare resource, and referral agencies (CCR&R's) provide services across the Commonwealth of Kentucky. The Cabinet contracts with the University of Kentucky, Human Development Institute through a sub-contract for coordination and management of Child Care Resource and Referral (CCR&R) Network ensuring services in the fifteen (15) Area Development Districts (ADD) covering all 120 counties in Kentucky to coordinate statewide core services as outlined in KRS 199.8992.

The CCR&R Network is comprised of fourteen (14) Regional Training Coordinators, fourteen (14) Regional Technical Assistance Coordinators, and two (2) Regional Technical Assistance Specialists to provide technical assistance, resources and coordination of professional development education to increase the quality of early care and education services across the commonwealth.

The Department, through the Child Care program, contracts with the CHFS Office of the Inspector General (OIG) to inspect, monitor, and license center-based providers, and inspect, monitor, and certify family childcare home providers who care for up to six (6) unrelated children. The OIG is also contracted to investigate complaints against licensed and certified providers as well as to conduct fraud investigations. State statute stipulates that an individual caseload of 1:50 be maintained for continuation of quality services; however, the current average individual case load is 1:100.

Collaborative efforts continue between the Child Care program and key stakeholders in order to ensure that outcomes will focus on continuing quality improvements in early learning environments. These efforts include partnerships with Head Start, the Department of Education, the Department for Public Health Division of Maternal and Child Health, Kentucky Out-of-School Alliance, Governor's Office of Early Childhood, and other government and quasi-government agencies that share the common goal of increasing professionalism in early care and education, promoting quality care, and supporting early learning guidelines.

Policy

The <u>Budget of the Commonwealth</u> Phase I Tobacco Settlement Funds in the amount of \$10,711,100 in fiscal year 2018-2019 and \$9,750,000 in fiscal year 2019-2020 for the Early Childhood Development Program.

Family and Community Services are designed to provide maximum support to a family at the time of crisis to prevent the disruption of the family unit and to protect individuals from abuse, neglect, and exploitation with safety and permanency as the paramount goals.

The subprograms contained in Family and Community Services are Family Based Services, Adult Services, and Alternatives for Children. The legal authority for the program is in KRS Chapters 199, 200, 209 (Adult Protection), and 600-645, and in Titles IV, XIX and XX of the Social Security Act.

Family Based Services

Family-based services include child protection, reunification following out-of-home placement, home safety services, preventive services for families, community-based juvenile services, family preservation services, mental health services through contracts with local comprehensive care centers, self-help services provided through local child abuse councils, and preventive assistance.

Child Protective Services safeguard the rights and welfare of abused, neglected or dependent children; aid parents or other responsible persons in recognizing and remedying conditions detrimental to the welfare of their children; and identify conditions that contribute to the neglect, abuse, or dependency of children. Child Protective Services are both preventive and corrective in nature. The Department for Community Based Services (DCBS) is mandated to receive and investigate reports of the abuse or neglect of children.

Home Safety Services provide in-home support that prevents the disruption of a family unit or expedites the return of the child by helping parents with general homemaker skills, role modeling, parenting skills, assistance in daily living skills, and direction in utilizing community services.

Preventive Services to families who do not qualify for services under other program areas address a family's treatment needs before the situation has escalated to become abusive or neglectful.

Family Preservation provides crisis intervention and intensive (5-20 hours per week) in-home services to families who have children at imminent risk of removal from their home. Family Reunification Services, which follow the same basic model with less intensive in-home services over a longer duration (up to 6 months), facilitate the successful return of children to the home and decrease the likelihood of repeated child placements.

Self-Help Groups provide support and education for parents in crisis or at risk of further abuse or neglect of children.

Juvenile Services in the community provide an array of preventive and treatment services for children adjudicated as status offenders under KRS 630. Because status offender behaviors such as running away from home, being beyond parental control and truancy are most often indicative of prior abuse or neglect of the child, services are targeted at prevention of further abuse or neglect and interventions to curb the child's negative behaviors. Appropriate services may be provided directly by DCBS or arranged through local mental health centers, Family Resource and Youth Service Centers, community partnerships, private child care agencies, and other private providers in the community.

Child advocacy centers provide services to victims of child sexual abuse and their non-offending caregivers.

Adult Services

Adult Services includes protection and self-support. Adult services are directed toward preserving the vulnerable individual's independence to the maximum degree possible and protecting him/her from abuse, neglect or exploitation pursuant to KRS Chapters 209 and 209A. The elements of adult services are:

- Adult protection,
- Domestic violence protection,
- Adult home safety services (which is the direct provision of home safety services to adults at risk or in need of protection),
- Alternate care (also called patient movement and placement) which involves assisting individuals with appropriate community and institutional placements,
- Preventive services for adults which entails assessment, planning, and guidance,
- Services provided by domestic violence shelters and crisis centers,
- Services provided by rape crisis centers, and
- Certification of batterer intervention program providers.

Services often involve finding food, shelter, clothing, and medical treatment. Adult Self-Support includes the Community Services Block Grant, which provides funding for emergency needs of economically disadvantaged citizens. This program helps to alleviate the stresses on the family unit resulting from poverty while promoting self-sufficiency.

Pursuant to KRS Chapters 209 and 209A, anyone who knows or suspects that an adult, who because of mental or physical dysfunction, or a spouse (without regard to age) is being abused, neglected or exploited must report this information to the Cabinet for Health and Family Services' Department for Community Based Services. The Department is required to investigate the report, notify local law enforcement officials, offer appropriate protection and support services, and maintain case records.

Homemaker Services are designed to enhance the adult's ability to remain at home in the least restrictive environment. Services may include meal preparation, budgeting, grocery shopping, menu planning, doing laundry, assisting with personal hygiene, changing beds, and sweeping floors. Homemaker services are a key element in enhancing the vulnerable adult's ability to remain at home and in assisting the family unit to remain intact.

DCBS is involved in placement and movement of individuals into, between, and out of facilities. Placement and Movement denotes assistance provided to Medicaid-eligible individuals. Alternate Care denotes assistance to non-Medicaid eligible individuals. Approximately 56,000 Kentuckians need alternate care or placement and movement services each year. The majority of these individuals have family or friends to assist them in finding alternate living arrangements. The Department assists those individuals who are not able to locate appropriate placements. Alternate Care Services help ensure that persons are not inappropriately placed in a level of care exceeding their need, and thus promotes cost effectiveness. These services also help ensure that persons assisted receive the care they require.

As part of Alternate Care, the Department's family service workers make quarterly site visits to each freestanding personal care home and all family care homes to see residents and determine if their social and related needs are being met.

Domestic violence shelter services are available in each of the 15 Area Development Districts under a contract between the DCBS and the Kentucky Domestic Violence Association. Part of the funding for this element is provided by a portion of the marriage license fee as authorized by KRS 209.160.

Rape crisis centers provide services to victims of rape and sexual assault, their friends, and family members.

Batterer intervention program providers are mental health professionals meeting certification standards specified by DCBS who provide services to domestic violence batterers.

Alternatives for Children

The Alternatives for Children Program provides placement resources for children who have been or are at risk of being abused or neglected. The legal authority for Alternatives for Children includes KRS Chapters 199, 600 and 620, Titles IV-B and IV-E of the Social Security Act, and the Social Services Block Grant. Services are directed toward finding substitute care for children who must live apart from their family, working toward reuniting the child and family, and if that is not possible, securing an alternative living arrangement which will provide permanency for the child.

Family Foster Care takes place in the home of an agency-approved family. The development of alternative resources such as the Families and Children Together Services (FACTS), Family Preservation Program, Kinship Care or non-parental relative care, and Preventative Assistance has reduced the trend of more children placed in out-of-home care. Due to a projected budget shortfall in fiscal year 2014, a moratorium was implemented on the Kinship Care Program effective April 1, 2013. Relative caregivers and children in the program as of March 31, 2013 were not impacted.

Foster Parent Training, provided by DCBS staff and contractors, is required of all foster parents. Foster parents must complete 30 hours prior to approval and placement of a child and also are required to attend annual in-service training. Parents serving special needs or medically fragile children and those from family treatment homes are required to complete additional training. Care Plus Homes provide a setting where intensively trained foster parents furnish a viable alternative placement resource for children and youth who have serious emotional problems, are due to be released from treatment facilities, display aggressive or destructive behaviors or other disruptive behaviors, are at risk of being placed in more restrictive settings, are at risk of institutionalization, or have experienced numerous placement failures. Medically Fragile Foster Care serves children who need medical treatment and continuous monitoring but do not necessarily require the daily services of a nurse or doctor. Foster parents caring for these children are provided an increased reimbursement and must meet additional training and certification requirements.

Independent Living services are specialized services, including classroom and experiential training, designed to enhance the self-sufficiency skills of older children in foster care, private child care, and other state funded living arrangements. Services are provided both directly by staff and by contract agencies. As they complete each phase of the training, youth receive a stipend. In addition, youth ages 18-21 who were formerly in care may receive room and board assistance for a limited time.

Private Child Caring/Child Placing services and emergency shelter services are essential components of a protective service program that provides temporary placement services for children who are unable to remain in their own homes because of severe abuse, neglect, exploitation, abandonment, and/or because they have specialized treatment needs.

Adoption is the legal process by which a child becomes a legal child of a person or persons other than his/her biological parents. The department provides services prior to adoption in order to bring children and families together and services after adoption through after-placement supervisory services and adoption assistance.

Intensive Family Based Services are cost effective, home-based alternatives to institutionalization for children who are dually diagnosed. Services are provided through contracts with local comprehensive care centers or other appropriate contractor and may include in-home services, family therapy, respite care, behavior management and consultation, and individual counseling.

Psychiatric services provide 24-hour care to DCBS committed children and youth with behavioral health or mental health issues. Services are provided by various psychiatric hospitals and psychiatric residential treatment facilities throughout Kentucky.

Policy

The <u>Budget of the Commonwealth</u> provides additional General Funds in fiscal year 2017-2018 in the amount of \$2,500,000 to Alternatives for Children program.

The <u>Budget of the Commonwealth</u> includes \$3,893,000 in General Fund, \$21,900,000 in Restricted Fund and \$2,200,500 in Federal Funds in each fiscal year to increase reimbursement rates to private child caring agencies.

The <u>Budget of the Commonwealth</u> provides an additional \$375,000 General fund in each fiscal year to support the Fostering for Success Program within Community Based Services.

The <u>Budget of the Commonwealth</u> includes \$11,148,100 General Fund each fiscal year providing social worker and supervisor salary increases to raise social worker retention.

The <u>Budget of the Commonwealth</u> includes \$10,660,000 General Fund for additional Social Worker and administrative support positions within Community Based Services to improve workforce, upgrade technology and address caseload levels.

The <u>Budget of the Commonwealth</u> provides Phase I Tobacco Settlement Funds in the amount of \$2,500,000 in each fiscal year for the Early Childhood Adoption & Foster Care Program.

The Department for Aging and Independent Living (DAIL) sets policies and oversees programs for Kentucky's elderly and physically disabled citizens. The programs administered by the Department benefit Kentuckians by contributing to building self-sustaining families and improving the quality of life through an array of community-based services designed to help older persons, individuals with physical disabilities, and wards of the state to be as independent as possible in the least restrictive environment. Department programs also provide counseling and support services to family caregivers to enable them to provide quality care to older persons while fulfilling other family and employment responsibilities. In carrying out its programs, DAIL emphasizes successful aging, independent living, planning for an aging society, and continued involvement of older persons, adult wards of the state and physically disabled individuals in every aspect of the community. There are two program budget units within DAIL: Aging and Independent Living Services and Guardianship Services.

The Department for Aging and Independent Living is designated as the State Unit on Aging by the Federal Administration on Aging. In accordance with the Older Americans Act Amendments of 1965 as amended through December 2006 and 45 CFR 1321. The Aging and Independent Living program is responsible for aging issues on behalf of all older persons in Kentucky. It is required to carry out a wide range of functions related to service delivery, advocacy, planning, coordination, interagency linkages, information-sharing, community preparedness, brokering, and evaluation. These functions are intended to focus on the development or enhancement of comprehensive and coordinated community-based service systems designed to help elderly and physically disabled adult Kentuckians maintain independence and dignity in their own homes and communities. This focus on community-based alternatives is consistent with Kentucky's plan developed in response to the Supreme Court's Olmstead decision and the State Plan on Aging.

The Aging and Independent Living program administers statewide services; develops the State Plan on Aging; allocates funds to the 15 Area Agencies on Aging and Independent Living (AAA) as well as 14 Community Mental Health Centers (CMHCs) for the Hart Supported Living Program; and approves AAA program plans, amendments, budgets, and contracts for local provision of aging and physical disabilities services. It provides education, training, benefits counseling, information and assistance to respond to the needs of senior citizens and those with physical disabilities.

The services administered to achieve these goals include:

- <u>Title III Older Americans Act Nutritional Services provided through agreements with the AAA's include the Nutritional Services Incentive Program:</u> For persons ages 60 and over, provides congregate meals at senior centers and home-delivered meals to the homebound elderly in each Kentucky county
- <u>Senior Community Service Employment Program (Title V)</u>: Employs persons age 55 and older who have incomes at or below 125% of the poverty level in part-time non-profit community work, such as senior citizens centers, with the goals of training and eventual placement in unsubsidized employment.

- State Health Insurance Assistance Program (SHIP): (Section 4360 OBRA 1990, PL 101-508) provides benefits counseling and assistance to aged and disabled Medicare eligible persons through a federal Health Care Financing Administration Grant.
- <u>Long-Term Care Ombudsman Program</u>: On behalf of long-term care residents and their families, this program receives and investigates all complaints and problems of residents of nursing homes and personal care homes in Kentucky. The program assists in protecting the health, safety, welfare and rights of elderly Kentuckians in long term facilities.
- Aging and Disability Resource Center (ADRC): (Sec 1110 SS Act and 42 USC 3031-3037B)
 provides a single point of entry to services and supports for individuals who require assistance due
 to need or disability, regardless of age.
- Homecare Program (KRS 205.445-465): A state-funded alternative in-home program for frail and vulnerable persons 60 years and older who have functional or physical limitations and are at risk of institutionalization. Homecare provides essential services designed to delay or prevent institutionalization, including homemaker/personal care, homemaker/home management, home health aide, home-delivered meals, home-repair, chore, respite, and escort services.
- <u>Nursing Home Diversion</u> is a consumer directed model that provides a community based case approach to the state funded Homecare Program.
- Hart Supported Living (KRS 210.770-795): A state funded program that is intended to address service gaps not covered by other funding sources such as Medicaid waiver services. The program provides services which enable a person with disabilities to live in a home of the person's choice which is typical of those living arrangements in which persons without disabilities reside, encourages the individual's integrated participation in the community, promotes the individual's rights and autonomy, enhances the individual's skills and competencies in living in the community and enables the individual's acceptance in the community by promoting home ownership or leasing arrangements in the name of the individual or the individual's family or guardian.
- Personnel Care Attendant Program (PCAP) for Physically Disabled Adults (KRS 205.900): A state
 funded program that provides personal care assistant services and case management services to
 severely physically disabled adults, age 18 and over, who have functional loss of two or more
 limbs and need the services to prevent institutionalization or to leave an institutional setting.
- Adult Day and Alzheimer's Respite (KRS 209): Provides programs for day-long care and supervision for persons 60 and over who, because of physical, mental, and/or psychological limitations, cannot remain in their own homes alone during the day.
- Kentucky Caregiver Program (910 KAR 1:260): A state funded program that provides assistance to Grandparents caring for grandchildren under the age of 18. The program provides information services, individual counseling, caregiver training, and funds (limited to not more than \$500 per grandchild and no more than \$1,500 per household per fiscal year) for defraying the costs of caring for the grandchild that could include purchase of clothing, educational supplies or assistance, certain legal services, medical services not related to co-pays and premiums, and other services as authorized by the Area Agency on Aging.
- <u>Family Caregiver Support Program</u>: A federally funded program serving family and informal caregivers who provide care to people over 60 or an individual of any age with Alzheimer or a related diagnosis, as well as grandparents and other relatives over 55 who provide care to children up to age 19.
- Traumatic Brain Injury Trust Fund Program (KRS 42.320): A state program that provides
 assistance to children and adults with brain injuries. The TBI Trust Fund Program is a funding
 source of last resort for Kentucky residents. The TBI Trust Fund draws it funds primarily from court
 fees, traffic school fees and DUI service fees. The fund can also accept contributions and grants.
 The fund is administered by a Board of Directors to assure that individuals with a brain injury and
 their families are provided services and supports to promote independence and personal
 productivity.
- Traumatic Brain Injury Behavioral Program (KRS 189A.050): This program is funded through DUI fees and serves persons affected by Traumatic Brain Injury who are in need of behavioral services.
 Services are provided through crisis intervention, residential treatment, targeted case management, and other wraparound services.
- The Consumer Directed Option (CDO): The program gives Medicaid waiver members more
 choices in the way some Medicaid services are provided. The client can choose who will provide
 services they need as well as how, when, and where these services will be provided
- Adult Day Certification (KRS 205.950): The Department for Aging and Independent Living certifies Adult Day Social Model programs to assure quality standards are met for the client.
- Assisted Living Certification (KRS 194A.707): The Department of Aging and Independent Living certifies Social Model Assisted Living Communities to assure compliance with state statutes and regulations. The cost of administering the program is partially covered through fees charged to social assisted living communities.

- Alzheimer's disease and Related Advisory Council (KRS 194.600-609): Oversees information and resources related to policy and services affecting the sixty thousand (60,000) residents of Kentucky with dementia, and the caregivers and families of the residents.
- <u>Preventive Health</u>: Provides disease prevention, education and assistance in training and care of elderly Kentuckians on health related issues.
- <u>Supportive Services</u>: For persons over 60, these include: assessment/case management, transportation, escort to medical facilities, stores and other service delivery points: information, assistance and referral: homecare and other in-home services; health promotion; visiting and telephone reassurance; legal assistance, counseling; education; advocacy; respite; preventive health services; elder abuse prevention programs; supportive services for families of elderly victims of Alzheimer's and related disorders.

Kentucky's Adult Guardianship Services Program is administered as authorized in KRS 210.290 and 387.500-387.900. Individuals are served by staff in both central office and nine regional offices. This Program provides a legal relationship between a court-appointed adult who assumes the responsibility of being the guardian for a ward. A ward is a person who has been declared "legally disabled" by the court and is no longer able to care for his or her personal and/or financial needs.

Appointed guardians may be a friend or family member who is willing to serve in this capacity on behalf of the disabled individual. If there is no one willing to assume guardianship for the disabled person, the court will appoint the Cabinet for Health and Family Services as the state guardian. The duties of the state guardian include:

- Full Guardianship/Full Conservator In this category the Cabinet will be responsible for both the personal and financial needs of the ward. In this case, the court will also decide which civil rights the person can retain and which are given to the guardian. These may include the right to vote, the right to drive a car, the right to make medical decisions, the right to determine where to live, the right to sell property, and the right to sign legal documents such as checks, marriage licenses or wills.
- Limited Guardian A limited guardian may be appointed if the disabled person is declared partially disabled and can manage some personal needs but may need assistance with others.
- Conservator A conservator may be appointed if the disabled person needs help only with managing financial or fiduciary affairs.
- Conservator/Guardian This category allows for a combination of a conservator who manages financial and fiduciary affairs with a guardian who manages living and personal needs arrangements.

Policy

<u>The Budget of the Commonwealth</u> includes General Fund of \$1,600,000 for the Guardianship Program within the Department for Aging and Independent Living for additional social workers/field workers to address caseload levels.

The Kentucky Office of Health Benefit Exchange (KOHBE) oversees Kentucky's online health benefit exchange where individuals can learn how to enroll in health coverage, pre-screen to find out what financial aid they may be eligible for and find help in their communities to fill out applications or pick a plan. The KOHBE has an executive director and two divisions: Division of Health Care Policy, Education and Outreach Administration, and Division of Operations and Kentucky Access.

The Kentucky Health Information Exchange (KHIE) was created to serve as a focal point for e-health initiatives in the Commonwealth. The KHIE helps health care providers in utilizing health technology to improve patient care, reduce medical errors, and make more efficient use of resources by reducing redundant services.

The Kentucky Justice Cabinet was established in 1974 and was renamed the Justice and Public Safety Cabinet in 2007. The Cabinet is responsible for criminal justice services throughout the Commonwealth of Kentucky, including law enforcement, law enforcement training, adult and juvenile incarceration, and public advocacy. The Cabinet provides overall leadership, policy direction and training for six departments and multiple public agencies and boards, with a focus on prevention, treatment, law enforcement and preparing offenders for reentry into society with acquired skills to facilitate non-criminal behavior.

The Cabinet is comprised of six departments:

- Department of Justice Administration
- Department for Public Advocacy
- Department of Kentucky State Police
- Department of Juvenile Justice
- Department of Criminal Justice Training
- Department of Corrections

The mission of the Justice and Public Safety Cabinet is to ensure the safety and security of Kentucky communities through a fair and impartial administration of taxpayer resources. The approach centers on protecting citizens, restoring victims and reforming wrongdoers, all in a focused environment where everything is measured for accountability and performance. The Cabinet seeks the best possible return from our public safety investment, using evidence-based programs, fiscal discipline, and data-driven strategies. Likewise, the Cabinet is committed to holding offenders to the highest standards of personal accountability and responsibility.

The vision of the Justice and Public Safety Cabinet is to remain a national leader in criminal justice while focusing our limited resources on the most effective strategies to reduce crime and protect public safety. This involves a comprehensive effort to right-size corrections, enhance re-entry programs, and reinvest any savings into law enforcement, community supervision, and better drug interventions. The Cabinet will empower and support victims, and demand that offenders learn productive skills to support themselves after release.

The Justice and Public Safety Cabinet core values include:

Public Safety: Our first obligation and highest priority is to protect the safety and security of Kentucky families and communities.

Government Accountability: We will perform all of our duties with the highest level of ethical and fiscal discipline, setting clear, measurable goals and continually evaluating our performance against those objectives.

Data-Driven Decision Making: We will administer justice using the best data, evidence, and policy expertise available to drive favorable outcomes.

Transparency: We will endeavor in every way to engage with Kentucky taxpayers, families, stakeholders, and all other members of the public, providing information in a timely and accurate manner and develop public confidence in our work.

Impartiality: We will provide a fair and impartial system of justice to all Kentuckians.

The Department of Justice Administration (DJA), within the Justice and Public Safety Cabinet and under the authority of KRS 15A, provides leadership, strategic planning and administrative support for all agencies within the Justice Cabinet. The functions located within DJA are outlined below

The Office of the Secretary under KRS 15A.020 is charged with housing a variety of administrative, financial, investigative and legal functions that perform key oversight activities for the Department and the Cabinet. The associated offices and branches are outlined below:

Office of the Secretary, which is headed the Deputy Secretary, appointed pursuant to KRS 12.050, and is responsible for the direct administrative support for the Secretary.

The Office of Management and Administrative Services (OMAS) is responsible for all matters relating to human resources, state and federal grants management, management of daily operations, information processing, fiscal function and administrative services for the Justice and Public Safety Cabinet. As one of the largest Cabinets in state government with nearly 8,000 employees, the OMAS provides management support and oversight to over five departments with combined funding near \$1 billion, including \$40-\$45 million in annual state and federal grants programs.

The Office of Legal Services is dedicated to providing quality legal services for the Justice and Public Safety Cabinet. As one of the largest Cabinets in state government and responsibility for the Commonwealth's criminal justice services, the Justice and Public Safety Cabinet and its employees face a wide range of legal issues every day. Attorneys in the office provide legal assistance to the Cabinet's officers, employees, and departments on a myriad of issues, such as employment and administrative law matters, regulatory and statutory interpretation, legislative initiatives, and a wide range of civil legal questions. They also provide representation before administrative bodies and in state and federal court in any matters that involve the Cabinet.

The mission of the Internal Investigations Branch is to serve the citizens of the Commonwealth of Kentucky by receiving and investigating certain limited allegations involving abuse of juveniles committed to, or in the custody of, the Department of Juvenile Justice and investigating administrative violations within the Justice and Public Safety Cabinet as determined by the Cabinet Secretary. Allegations that meet certain criteria are assigned for investigation. Investigations are conducted for administrative purposes and if criminal violations are discovered, the allegation is referred to law enforcement. The duties of the office have expanded to include investigating allegations within the Justice and Public Safety Cabinet with the exception of the Kentucky State Police and with certain restrictions in the Department of Public Advocacy. In 2008, the Internal Investigations Branch was assigned the responsibility for conducting background investigations on applicants for commission as Special Law Enforcement Officers (SLEO) and Special Local Peace Officers (SLPO). Once commissioned, these officers have full law enforcement authority on their designated properties only. SLPOs are commissioned for duty on private property; SLEOs are commissioned for duty on public property.

The Office of Legislative and Intergovernmental Services is responsible for all matters relating to the provision of support to the Criminal Justice Council, legislative liaison services, and functions and duties vested in the Criminal Justice Council as described in KRS 15A.030.

The Child Fatality and Near Fatality External Review Panel was created and established by Kentucky Revised Statutes 620.055 for the purpose of conducting comprehensive reviews of child fatalities and near fatalities suspected to be the result of abuse or neglect. The Panel is a twenty-member multidisciplinary team of professionals including representatives from the medical, social services, mental health, legal, and law enforcement communities, as well as others who work with and on behalf of Kentucky's children. The Panel reviews official records and other relevant information received from a variety of sources: The Cabinet for Health and Family Services, the Department for Juvenile Justice, medical records including autopsy reports, law enforcement records and records held by a Family, Circuit or District Court. The purpose of these reviews is to become aware of systemic deficits and to make recommendations for improvements to help prevent child fatalities and near fatalities due to abuse or neglect.

The Justice and Public Safety Cabinet, pursuant to KRS 15A.020, is responsible for housing the Office of the Kentucky State Medical Examiner, which is headed by the Chief Medical Examiner for the Commonwealth of Kentucky. The office is responsible for all matters relating to forensic pathology and forensic toxicology. Recognized as national leaders in their respective field, the scientific staff members of the Kentucky Office of the Medical Examiner provide death investigation services and forensic autopsy services for deaths that occur in Kentucky when authorized by County Coroners or the Court. All deaths that are sudden or unexpected or occur from other than natural causes must be reported to the County Coroner, who then may authorize a postmortem examination by the Kentucky Medical Examiner's Office. The goal of the Medical Examiner's Office is to assist county coroners, families, law enforcement agencies and the legal system by determining a scientifically unbiased and logical cause and manner of death.

The Kentucky Parole Board is an independent, autonomous agency attached in administrative capacity to the Justice & Public Safety Cabinet under KRS 439.330. The Kentucky Parole Board consists of nine full-time members whose primary responsibility is to grant and revoke parole for adult felony offenders incarcerated in Kentucky correctional institutions. The purpose of the Parole Board is to determine if, when and under what circumstances the best interest of society will be served by allowing an offender to serve a portion of his/her sentence in the community under supervision and conditions of parole. Parole is the process that endeavors to reintegrate the offender from incarceration back into society, before restoring complete freedom.

The Justice and Public Safety Cabinet is responsible for establishing the Criminal Justice Council (CJC) pursuant to KRS 15A.075. Since its creation in 1998, the Kentucky Criminal Justice Council has established a neutral forum for discussion of systemic issues by a diverse group of state and local criminal justice professionals. As a statewide criminal justice coordinating body, the Council works to develop a better understanding of the nature of crime across the different regions of the state; to develop clearer goals and system priorities; to promote coordination among the components of the justice system; and to promote effective utilization of limited resources.

Under the provisions of KRS 15A.150, the Justice and Public Safety Cabinet shall administer all state and federally funded grant programs related to criminal justice. The Grants Management Branch (GMB) located within Justice Administration serves as the designated State Agency Administrator for criminal justice discretionary and formula grants issued by the U.S. Department of Justice and certain state funds for similar purposes. Originally established in 1968 as part of the Kentucky Crime Commission, GMB is now located within the Office of the Secretary, Office of Management and Administrative Services, Kentucky Justice and Public Safety Cabinet. Major current funding program administered include: Byrne Memorial Justice Assistance Grants (JAG), Victims of Crime Act (VOCA) grants, and the Violence Against Women Act (VAWA) grants. The Branch also manages Discretionary grant awards for forensic science projects, PREA compliance and training, substance abuse treatment and training, rape kit backlog testing. Programs are administered according to funding source guidelines, applicable statutes, state and agency priorities and policies.

In August of 2004, a 51-member team of state, federal and local officials in substance abuse prevention-education, treatment and enforcement recommended the creation of the Office of Drug Control Policy (ODCP). Pursuant to KRS 15A.020 the Justice and Public Safety Cabinet is responsible for housing the ODCP which is tasked to coordinate Kentucky's response to substance abuse. The goal of the ODCP is to change the way substance abuse is handled, reduce the problem and make the Commonwealth a model for other states. They have joined prevention/education, treatment, and law enforcement in a united effort to confront the epidemic and have made great strides.

The Access to Justice Foundation is a poverty law resource center dedicated to providing opportunity for quality civil legal assistance for low-income Kentuckians. This is accomplished by supporting Kentucky's four Legal Services programs and pro bono lawyers and promoting awareness in the legal community of the need for volunteers to assist poor Kentuckians in civil matters.

Senate Bill 192 as enacted by the General Assembly in the 2015 Regular Session provided up to \$10 million for Substance Abuse Initiatives during Fiscal Year 2016. Additionally, funding in the amount of \$15.7 million for Fiscal Year 2017 and \$16.3 million for Fiscal Year 2018 was enacted during the 2016 Regular Session in House Bill 303. The Substance Abuse Initiatives funding is housed within Justice Administration and falls under the administrative oversight of the Office of Drug Control Policy.

KRS 15A.350 requires that the Justice and Public Safety Cabinet establish a motorcycle safety education program which provides instructor training courses, instructor approval, and rider training courses for novice riders that are held at locations throughout the state. The program provides the following: rider training courses for experienced riders; activities to increase the awareness of a motorcyclist's knowledge of the effects of alcohol and drug use; driver improvement efforts; licensing improvement efforts; program promotion activities; enhancement of the public's awareness of motorcycles; and enhancement of motorcycle safety through education.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund resources in the amount of \$500,000 in each fiscal year, funded from the Local Government Economic Development Fund and Restricted Fund appropriation in the amount of \$1,500,000 each year from settlement funds resulting from the suit against Purdue Pharma for the Operation UNITE program.

The <u>Budget of the Commonwealth</u> includes General Fund resources in the amount of \$1,406,300 in each fiscal year for the Court Appointed Special Advocate (CASA) program.

The <u>Budget of the Commonwealth</u> includes additional Phase I Tobacco Settlement Funds in the amount of \$7,831,000 in fiscal year 2018-2019 and \$7,362,800 in fiscal year 2019-2020 for the Office of Drug Control Policy to support opioid prevention, treatment, and recovery initiatives.

Heroin legislation was enacted during the 2015 Regular Session in an effort to reduce the trafficking and abuse of heroin and other opiates. It invests 50 percent of the savings realized as a result of the passage of HB 463 in the 2011 Regular Session in an array of substance abuse and criminal justice programs. In fiscal year 2015-2016, it appropriated \$10,000,000 as a necessary government expense. The Secretary of the Justice and Public Safety has authority to determine distribution of these funds among the several substance abuse treatment and prevention efforts. The <u>Budget of the Commonwealth</u> provides \$16,327,600 in fiscal year 2018-2019 and \$16,330,100 in fiscal year 2019-2020. The amounts will be held in reserve until allocated by the Secretary of the Justice and Public Safety Cabinet.

The <u>Budget of the Commonwealth</u> provides General Fund in the amount of \$639,800 each fiscal year for the Access to Justice Program.

The <u>Budget of the Commonwealth</u> provides no funding for the Kentucky Legal Education Opportunity Fund.

The Department of Criminal Justice Training (DOCJT) is responsible for the training of law enforcement professionals as provided under Kentucky Revised Statutes, Chapters 15, 15A, 16, 70, 71, 72, 95, and KRS 403.785(2), along with 500 KAR 8:010. Basic and specialized training courses are offered to police officers, dispatchers, sheriffs, deputies, coroners, certified court-security officers, school resource officers, and certain other agencies upon request. Course curriculum includes training in basic law enforcement, telecommunications, de-escalation techniques, coroner training, AIDS, post-traumatic stress disorder (PTSD), pediatric-abuse head trauma, child sexual abuse, juvenile crime, domestic violence, sexual assault response, bias-related crimes, penal code and constitutional law, tactical training in rapid response, crisis intervention, response to persons with special needs, professional development, executive and staff training, leadership development, internet crime, and breath testing. Training is conducted at the Training Center on the Eastern Kentucky University campus and at regional sites.

The DOCJT operates two training programs: the Kentucky Law Enforcement Foundation Program Fund (KLEFPF), and the Special Training programs, in addition to the Peace Officers Professional Standards (POPS) program. The KLEFPF agency resources are derived from property and casualty insurance premium surcharge proceeds, which accrue pursuant to KRS 136.392, and are allocated by KRS 42.190 between the KLEFPF and the Kentucky Firefighters Foundation Program Fund. The Department provides entry-level and in-service training for approximately 12,500 seats each year, totaling approximately 600,000 hours of training.

Policy

Notwithstanding KRS 15.470, the <u>Budget of the Commonwealth</u> includes Restricted Funds for a \$4,000 training incentive stipend and associated fringe benefit costs for state troopers, arson investigators, hazardous devices investigators, legislative security specialists, and Vehicle Enforcement officers within the Kentucky State Police; Horse Park mounted patrol officers; State Park rangers; Agriculture investigators, Charitable Gaming investigators; Alcoholic Beverage Control investigators: Insurance fraud investigators; and Attorney General investigators.

Notwithstanding KRS 15.470, the <u>Budget of the Commonwealth</u> includes Restricted Funds for a \$4,000 training incentive stipend and an amount equal to the required employer's contribution of the supplement to the defined benefit plan to which the officer belongs for School Security Officers. Each eligible peace officer must meet the requirements of Peace Officer Professional Standards Act training. The stipend payments are provided from the Kentucky Law Enforcement Foundation Program Fund (KLEFPF) to approximately 7,570 certified peace officers in the amount of \$49,327,300 in fiscal year 2018-2019 and \$49,327,300 in fiscal year 2019-2020.

Notwithstanding any statute to the contrary, the <u>Budget of the Commonwealth</u> includes language for employers of eligible local units of government shall receive an administrative expense reimbursement in an amount equal to 7.65 percent of the total annual supplement received greater than \$3,100 for each qualified local officer.

The <u>Budget of the Commonwealth</u> includes \$88,943,300 in fiscal year 2018-2019 and \$81,434,800 in fiscal year 2019-2020 for the Kentucky Law Enforcement Program Fund.

Notwithstanding KRS 15.470, \$1,442,500 in each fiscal year from the Kentucky Law Enforcement Foundation Program Fund is provided to the State Police for lab equipment capital project.

Notwithstanding KRS 15.470, \$3,305,800 in fiscal year 2018-2019 and \$872,800 in fiscal year 2019-2020 from the Kentucky Law Enforcement Foundation Program Fund is provided to the State Police for purchasing marked and unmarked vehicles.

Notwithstanding KRS 15.470, \$4,329,500 in fiscal year 2018-2019 from the Kentucky Law Enforcement Foundation Program Fund is to be transferred to Kentucky State Police for paying pension spiking costs and sick leave service credit.

The Department of Juvenile Justice operates programs for juvenile crime prevention, detention, and community services, as well as residential facilities for post-adjudicated offenders. All programs are designed primarily for "public" and "youthful" offenders. The Department consists of three programmatic areas: Program Management, Program Operations, and Support Services.

Program Management is comprised of the Commissioner's Office which provides management and policy direction for the Department: There are three Offices reporting to the Commissioner's Office: Office of Program Operations, Office of Community and Mental Health Services, and Office of Support Services. The Office of the Commissioner provides staff support for the Commissioner, which includes public information services.

Program Operations consists of the direct services provided to both public and youthful offenders, through Day Treatment Services, Group Homes, Residential Facilities, Community Supervision, Private Child Care Facilities, Detention Facilities, and Alternatives to Detention. The programs are administered on a regional basis, divided into two separate regions.

Day Treatment Services is comprised of five state-owned and 19 contract programs. These programs are the least restrictive, since the youths remain in a home setting during the evening and attend a day treatment program during the day. A court or school system usually refers a youth to serve in these programs. Day Treatment provides educational alternatives, treatment, and counseling for youths between the ages of 12 and 17. The total capacity of the 24 centers is 826 youths.

| Group Home Facilities | County | Beds | |
|-----------------------|-----------|------|--|
| Ashland | Boyd | 8 | |
| Bowling Green | Warren | 8 | |
| Burnside | Pulaski | 8 | |
| Frenchburg | Menifee | 8 | |
| Hopkinsville | Christian | 8 | |
| London | Laurel | 8 | |
| Middlesboro | Bell | 8 | |
| Frankfort | Franklin | 8 | |
| Westport | Jefferson | 8 | |

Group Home Beds = 72

Group Homes are community-based residential treatment facilities that generally serve eight youths per home. These programs accept youths between 12-18 years of age who have been committed to the Department as "public" or "youthful" offenders. Group home care serves as an alternative to institutionalization and aims to transition a youth from institutional placement to the community. The total capacity of 9 group homes is 72 youths.

| Residential Facilities | City | County | Beds |
|--|--------------|-----------|------|
| Northern Kentucky Youth Development Center | Crittenden | Grant | 44 |
| Morehead Youth Development Center | Morehead | Rowan | 40 |
| Green River Youth Development Center | Cromwell | Butler | 40 |
| Mayfield Youth Development Center | Mayfield | Graves | 30 |
| Lake Cumberland Youth Development Center | Monticello | Wayne | 40 |
| Woodsbend Youth Development Center | West Liberty | Morgan | 40 |
| Cadet Leadership Education Program | Jackson | Breathitt | 40 |
| Adair Youth Development Center | Columbia | Adair | 30 |

Residential Beds = 304

The 8 state-operated Residential Facilities provide 24-hour care and custody of juveniles who have been committed to the Department as public offenders or sentenced as youthful offenders. These facilities serve youths who are in need of treatment that cannot be provided in their community, or who require placement in a secure setting because they represent a threat to the community. The current capacity of the residential care program is 304 youths.

| State-operated Detention Centers | County | Beds | |
|--|-----------------|------|--|
| Breathitt Regional Juvenile Detention Center | Breathitt | 48 | |
| McCracken Regional Juvenile Detention Center | McCracken | 48 | |
| Campbell Regional Juvenile Detention Center | Campbell | 52 | |
| Adair Youth Development Center/Regional Juvenile Detention | on Center Adair | 20 | |
| Warren Regional Juvenile Detention Center | Warren | 48 | |
| Boyd Regional Juvenile Detention Center | Boyd | 36 | |
| Fayette Regional Juvenile Detention Center | Fayette | 60 | |

Detention Beds = 312

Seven state-operated detention centers are currently in operation in Breathitt, McCracken, Campbell, Warren, , Fayette, and Boyd Counties, and twenty beds are available for detention at the youth development center in Adair County. Currently, the state provides detention services to 119 counties. Jefferson County continues to operate a local detention program, and it is approved to use these facilities and receive a subsidy payment from the state of \$94 per day for all public and youthful offenders.

Placements less restrictive than detention facilities are provided through contracts with emergency shelters and foster care providers, electronic monitoring, and tracking services. Departmental staff members are responsible for the assessment of juveniles in the facilities, and the determination of whether an alternative to detention is appropriate.

Private child care facilities and therapeutic foster care programs are utilized to alleviate facility capacity problems and to provide specialized treatment for youths. Approximately 10-30 juveniles are in these programs on any given day.

Community Services provide services to juvenile offenders. Workers in the community offices develop service objectives and comprehensive service plans for juvenile offenders and their families. These workers supervise over 2,525 juvenile offenders and recommend any necessary out-of-home placements.

The Division of Placement Services, included in the Program Operations area, determines appropriate out-of-home placements for youths committed to the Department of Juvenile Justice.

Support Services, which provides administrative support to all organizational units of the Department, includes: Division of Administrative Services, Division of Program Services, Division of Professional Development, and the Division of Medical Services. The Division of Administrative Services consists of five branches: Personnel, Fiscal, Capital Construction and Real Properties, and Information Systems. The Division of Program Services consists of the Quality Assurance Branch, Education Branch, and the Juvenile Detention Alternatives Branch that report directly to the Division Director. The Division of Professional Development consists of the Academy Training Branch and the In-service Training Branch. The Medical Division oversees the medical delivery system throughout the Department.

Policy

The <u>Budget of the Commonwealth</u> includes current year General Fund appropriation in the amount of \$600,000 for fiscal year 2017-2018 and General Fund appropriation in the amount of \$1,700,000 in 2018-2019 and \$1,700,000 in 2019-2020 to support Day Treatment Center contracted programs.

The <u>Budget of the Commonwealth</u> includes General Fund resources in the amount of \$4,800,000 each fiscal year to meet staffing to youth ratios mandated by the Prison Rape Elimination Act.

The Kentucky State Police is the statewide law enforcement agency of the Commonwealth. The State Police was established in 1948. State Troopers are assigned to 16 regional posts and Commercial Vehicle Enforcement officers are assigned to 6 regions. The Department is responsible for the enforcement of criminal and traffic laws, along with white-collar crime, organized crime, electronic crime, racketeering, and drug-related crime. The State Police also provide protection for the Governor, Lieutenant Governor, their families, and property. The Kentucky State Police is comprised of four divisions: Administrative, Operations, Technical Services, and Commercial Vehicle Enforcement.

The Administrative Division, which includes the Office of the Commissioner, provides professional support services for the Department. These services include organizational policy, personnel, properties management and supplies, payroll, employee assistance, fiscal, internal investigations, and inspections. Media relations, training, analysis, research, strategic planning, and information coordination are other functions performed in this division. The State Police Drivers Testing Stations, Facilities Security, and Legislative Detail are also part of this division and provide external support to citizens and other public officials of Kentucky.

The Operations Division includes the regional posts and the personnel assigned to each post. State Police posts are maintained in Mayfield, Madisonville, Henderson, Elizabethtown, Bowling Green, Dry Ridge, Frankfort, Campbellsburg, Richmond, Columbia, Morehead, Ashland, Pikeville, Hazard, Harlan, and London. Other functions in this division include Highway Safety, Drug Enforcement Special Investigations, Vehicle Investigation, Critical Incident Response Team, and Special Operations (Hazardous Devices, Special Response Team, and Canine).

The Technical Services Division is responsible for providing technical assistance to all departmental areas, along with outside agencies, concerning electronic crimes examination/analysis, records, communications (including headquarters dispatch), criminal history information, intelligence information, automated fingerprint information, and computer technology needs. The Division also has the responsibility of providing forensic analysis for all law enforcement agencies throughout the Commonwealth. The forensic analysis function is provided through the Central Laboratory in Frankfort as well as Regional Laboratories in Ashland, Louisville, Cold Springs, London, and Madisonville.

The Commercial Vehicle Enforcement Division is responsible for encouraging and promoting a safe driving environment through education and safety awareness while enforcing state and federal laws and regulations, placing special emphasis on commercial vehicles. This Division is staffed with sworn law enforcement officers, regulatory weight and safety inspectors, and civilian staff.

In July 2017, KSP entered into a Memorandum of Agreement (MOA) with the Department of Juvenile Justice (DJJ) to transfer the use of Lincoln Village Juvenile Detention Center, located in Elizabethtown, KY, to KSP for agency use. The mid to long-term plan is to relocate Post 4 Elizabethtown from its current location to Lincoln Village. Additionally, the facility will become multi-use with the KSP Commercial Vehicle Division and a satellite of the KSP Academy using the facility. The potential exists for other KSP/Law Enforcement tenants to occupy the facility. Renovations are currently underway to facilitate the transition of Post 4, and eventually the campus will be re-named to reflect KSP's usages.

Policy

The <u>Budget of the Commonwealth</u> includes Restricted Funds for a \$4,000 training incentive stipend for state troopers, arson investigators, hazardous devices investigators, legislative security specialist, and Vehicle Enforcement officers within the Kentucky State Police. The stipend payments are provided from the Kentucky Law Enforcement Foundation Fund.

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$3,305,800 in fiscal year 2018-2019 and \$872,800 in fiscal year 2019-2020 for vehicles. Notwithstanding KRS 15.470, \$3,305,800 in fiscal year 2018-2019 and \$872,800 in fiscal year 2019-2020 from the Kentucky Law Enforcement Foundation Program Fund is provided to the State Police for vehicles.

The <u>Budget of the Commonwealth</u> includes Restricted Funds appropriation in the amount of \$4,329,500 in fiscal year 2018-2019 for purposes of paying pension spiking costs and sick leave service, payment is provided from the Kentucky Law Enforcement Foundation Program Fund.

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$4,329,500 in fiscal year 2018-2019 for purposes of paying pension spiking costs and sick leave service.

The <u>Budget of the Commonwealth</u> includes General Fund debt service in the amount of \$1,125,300 in fiscal year 2019-2020 to support new bonds for capital projects.

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$1,000,000 each fiscal year for salary increases for forensic laboratory technicians.

The Department of Corrections, pursuant to KRS 196 - 197, is responsible for the broad range of activities associated with adult criminal incarceration, public safety, inmate rehabilitation, probation and parole, and criminal recidivism. As the largest department in the Justice and Public Safety Cabinet, Corrections has four separate appropriation units: Corrections Management, Community Services and Local Facilities, Adult Institutions, and Local Jail Support. The Department of Corrections utilizes resources from each of these units to provide the necessary balance between public safety and fiscal responsibility. In order to accomplish this, the Department is charged with accommodating a growing inmate population through a balance of community and institutional based solutions.

The Department's core cost driver is the felon population. In the 2011 Regular Session, HB 463 was passed with the intent to decrease the state's prison population; reduce incarceration costs; and implement programs that will reduce crime and increase overall public safety. KRS 196.111 mandates the use of evidence-based practices in the sentencing process for convicted felons and in the decision making process for the supervision and treatment of felons in prison or

on probation or parole. HB 463 modified KRS Chapter 218A controlled substance statutes and placed emphasis on probation, diversion, and treatment and diverts savings from the drug law changes to drug treatment programs. Other provisions in KRS 439.335, KRS 439.340, KRS 439.320, and KRS 197.045 emphasize the use of parole to effectuate accelerated parole hearings; to order mandatory reentry supervision release; and to allow for good time credit that reduces the sentence while on parole.

Policy

The <u>Budget of the Commonwealth</u> incorporates the following array of institutional and community beds to accommodate the projected prison and community felon population under the custody of the Department of Corrections.

2018 - 2020 Felon and Community Beds Forecast

| | FY 2018 | FY 2019 | FY 2020 |
|---------|--------------|--------------|--------------|
| Felons* | 24,467 | 25,670 | 26,300 |
| Other** | <u>2,114</u> | <u>2,120</u> | <u>2,120</u> |
| Total | 26,581 | 27,790 | 28,420 |

^{*} The incarcerated felon forecast is a consensus estimating process involving a nationally-known Corrections consulting firm, the Department of Corrections, Kentucky Criminal Justice Policy Assessment Council Justice Reinvestment Work Group and the Office of the State Budget Director.

The <u>Budget of Commonwealth</u> includes additional General Fund in the amount of \$63,062,900 in fiscal year 2018-2019 and \$75,075,200 in fiscal year 2019-2020 for accommodating a higher inmate population forecast for costs that were previously considered a necessary government expense. Expenses that exceed this amount will be considered a necessary government expense and shall be paid from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705).

^{**}The Other category is the remaining population under the custody of the Department of Corrections located in Halfway House and Recovery Kentucky beds for parolees and probationers, as well as others serving time in jails under an alternative sentence arrangement with the Courts.

Corrections Management provides the administrative and management functions for the Department of Corrections. These functions are achieved through six program areas: Office of the Commissioner, Division of Personnel, Division of Corrections Training, and Division of Administrative Services.

The Office of the Commissioner provides departmental management and administrative support necessary for the Commissioner of Corrections to conduct statutorily assigned duties pursuant to KRS 196 and 197. The Office conducts centralized personnel and budgeting functions. The Commission on Corrections/Community Services is administratively attached to the Office. Also attached to the Office of the Commissioner is the Office of the Deputy Commissioner for Support Services, responsible for the Division of Corrections Training and Division of Administrative Services. The Division of Population Management, Information Technology and Offender Records Branch, as well as, the Parole Board/ Victims Services Branch are also under the Office of the Deputy Commissioner of Support Services.

The Division of Corrections Training, referenced in KRS 12.020, 16.090, 441.055, and 441.115, is responsible for developing curriculum and providing job training to corrections employees including staff in the county jails. Instruction is provided through the Basic Academy program, the Common Core/Officer In-service program, Jail Training programs, and various specialized programs.

The Division of Administrative Services, referenced in KRS 12.020, is comprised of two branches that provide support services to the entire Department in accounting and purchasing, property inventory, and budgeting.

Adult Correctional Institutions is comprised of 12 state correctional facilities for adult felon offenders. Seven additional programmatic areas serve all institutions and their incarcerated populations: the Division of Operations, the Division of Mental Health, the Division of Substance Abuse, Education programs, Inmate Medical Services, the Division of Adult Institutions and the Division of Correctional Industries.

The Division of Operations, pursuant to KRS 197.505, 197.065, 196.240, and 197.110, supervises and directs the following activities: classification and placement of inmates, coordination of academic and technical programs, coordination of dietary and health programs for state owned facilities, and coordination of security threat group information.

The Division of Mental Health is responsible for providing mental health treatment services to Kentucky's incarcerated, paroled, and probated populations. The Division is comprised of three units: sex offender treatment programs, the Sex Offender Risk Assessment Unit, and psychiatric and psychological out-patient services.

The Division of Substance Abuse is responsible for providing and overseeing alcohol and other substance abuse treatment programs in the state correctional facilities.

Inmate Medical Services, pursuant to KRS 197.020, provides necessary health services to inmates committed to the Department. Services are performed at each institutional location through institutional medical staff, personal service contracts, and outside referrals to local specialists and hospitals. The provision of medical services is monitored, authorized, and reviewed by a system-wide Medical Director. Beneficiaries of the Division of Inmate Medical Services also include the state inmates housed in local jails who are able to participate in the healthcare network administered through the Division. County jail inmates are now beneficiaries of the healthcare network in accordance with KRS 441.560.

Kentucky Correctional Industries (KCI), as authorized by KRS 197.200, produces goods and services employing inmate labor. Kentucky Correctional Industries is a self-supporting operation, receiving only restricted funds for operations in nine of the Department's state-operated institutions. Twenty-one separate plants produce products and provide services such as office furniture, recycling, license tags, janitorial products, printing, mattresses, ergonomic chairs, signage, furniture refurbishing, and office panel systems. Data entry, coupon sorting, Braille printing services, and mail services are also offered by KCI.

Also administered by the Division of Correctional Industries is the Institutional Farm program. Farm programs are currently operated at Blackburn Correctional Complex, Northpoint Training Center, Roederer Correctional Complex, and Western Kentucky Correctional Complex. Current farm operations consist of cattle (including commercial cattle and a prime Registered Angus herd), grain, hay, orchards, vegetables, and freshwater shrimp. The farm program also has a working agreement with the Thoroughbred Retirement Foundation, and operates a refuge for retired thoroughbred horses at the Blackburn Correctional Complex.

Correctional Institutions

Kentucky State Reformatory (KSR) is a medium security institution with current operational capacity of 1,883 inmates located near LaGrange in Oldham County. The inmate population is divided into four segments: general population, special management unit, nursing care facility, and mental health unit. Since 1980, KSR has converted designated living areas into single cell facilities and opened a new 150-bed mental health unit during 1998. In 1995 KSR opened the Nursing Care Facility which houses inmates in need of medical care due to their medical condition.

Kentucky State Penitentiary (KSP) is a maximum security institution with an operational capacity of 849 inmates, located near Eddyville in Lyon County. The inmate population is separated into three major groups: general population, protective custody, and disciplinary/administrative segregation. KSP also houses the state's capital punishment unit.

Blackburn Correctional Complex (BCC) is a minimum security institution with an operational capacity of 594 inmates located near Lexington in Fayette County. The institution programmatically directs inmates to halfway houses or returns the inmate to the community by parole, based upon the individual's demonstrated conduct, program performance, and need.

Bell County Forestry Camp (BCFC) is a minimum security institution with an operational capacity of 300 inmates located near Pineville in Bell County. The institution provides manpower to the Division of Forestry for fire suppression in Bell and seven surrounding counties during fire season along with road, highway garage, and community service details.

Kentucky Correctional Institution for Women (KCIW), the only state institutional facility for women in the Commonwealth, is located in PeeWee Valley in Shelby County, and has an operational capacity of 691 inmates. All levels of security and all levels of medical services must be provided since virtually all female prisoners are housed at KCIW.

Eastern Kentucky Correctional Complex (EKCC) is a medium security institution with an operational capacity of 1,874 inmates located near West Liberty in Morgan County. The facility is the second largest correctional institution in the state, providing inmates with employment opportunities, academic resources, and vocational programs.

Western Kentucky Correctional Complex (WKCC) is a medium security institution with an operational capacity of 470 inmates located near Caldwell County. The institution operates a full farm operation on 2,500 acres, a community work program for surrounding parks and cities, and the Correctional Industries recycling program serving

the surrounding counties. **Ross-Cash Center (R-CC)** is located on the grounds of Western Kentucky Correctional Complex in Lyon County and has an operational capacity of 200 female inmates. The facility, which opened in October 2015, is named for two correctional employees killed in the line of duty during the 1980s.

Roederer Correctional Complex (RCC) is a medium security institution with an operational capacity of 1,238 inmates located near LaGrange in Oldham County. The institution operates the Department's Assessment and Classification Center, serving all incoming male inmates with the exception of inmates sentenced to capital punishment. The institution also operates a full farm operation on approximately 2,800 acres.

Luther Luckett Correctional Complex (LLCC) is a medium security institution with an operational capacity of 1,180 inmates, also located near LaGrange in Oldham County. The facility houses two separate institutions: the Department of Correction's prison facility and the Cabinet for Health and Family Services' Kentucky Correctional Psychiatric Center (KCPC). Due to KCPC, the inmate population has a variety of psychological, pharmaceutical, recreational, academic, vocational, and substance abuse programs available.

Green River Correctional Complex (GRCC) is a medium security institution with an operational capacity of 947 inmates located near Central City in Muhlenberg County.

Northpoint Training Center (NTC) is a medium security institution with an operational capacity of 1,226 inmates located near Danville in Boyle County. The institution operates a prison farm, along with counseling, academic, and vocational programs.

Little Sandy Correctional Complex (LSCC) is located near Sandy Hook in Elliott County and has an operational capacity of 987 inmates. Programming at the new institution consists of basic educational and vocational training classes, as well as psychological services. Correctional industries programs are planned in the near future.

Policy

The <u>Budget of the Commonwealth</u> includes General Fund debt service in the amount of \$149,900 in fiscal year 2018-2019 and \$544,000 in fiscal year 2019-2020 to support new bonds for capital projects.

The <u>Budget of the Commonwealth</u> includes General Fund current year appropriation in the amount of \$4,501,800 in fiscal year 2017-2018 for Private Prisons.

The <u>Budget of the Commonwealth</u> includes General Fund resources in the amount of \$13,811,400 in fiscal year 2018-2019 and \$21,044,300 in fiscal year 2019-2020 for Private Prisons.

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$12,858,400 in fiscal year 2018-2019 and \$17,278,800 in fiscal year 2019-2020 for accommodating a higher inmate population forecast for costs that were previously considered a necessary government expense. Expenses that exceed this amount will be considered a necessary government expense and shall be paid from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705).

The Community Corrections area is comprised of the Halfway House program, Kentucky Corrections Commission, the Division of Re-entry, Probation and Parole, and Community Substance Abuse. Pursuant to KRS Chapter 439, the Halfway House program provides rehabilitation in community residential correctional centers throughout the Commonwealth where inmates are transitioned prior to their release. Pursuant to KRS Chapter 196, the Kentucky Corrections Commission grants funds for the purpose of assisting judges, throughout the Commonwealth, develop alternatives to incarceration. In accordance with KRS 532.260, the Department of Corrections has initiated the Home Incarceration program (HIP). The current average daily population of HIP participants is 323.

Policy

The Department of Corrections estimates a less than one percent growth in the number of probationers and parolees compared to fiscal year 2017. Much of this increase is due to accelerated parole hearings and mandatory reentry supervision release.

| Fiscal Year | Probation and Parole Population |
|----------------|---------------------------------|
| 2017 Actual | 46,046 |
| 2018 Estimated | 46,100 |
| 2019 Estimated | 46,200 |
| 2020 Estimated | 46,300 |

The <u>Budget of the Commonwealth</u> includes additional General Fund in the amount of \$36,393,100 in fiscal year 2018-2019 and \$36,752,100 in fiscal year 2019-2020 for accommodating a higher inmate population forecast for costs that were previously considered a necessary government expense. Expenses that exceed this amount will be considered a necessary government expense and shall be paid from the General Fund Surplus Account (KRS 48.700) or the Budget Reserve Trust Fund Account (KRS 48.705).

The Local Jail Support program consists of four funds used to assist counties in local jail operations: Local Jail Allotment, Restricted Medical Allotment, Jailer's Allowance, and Catastrophic Medical. These programs were part of the Jail Reform package passed in the 1982 and 1984 Regular Sessions of the General Assembly.

The Local Jail Allotment, pursuant to KRS 441.206, was established for the care and maintenance of prisoners charged with or convicted of violations of state law. Funds appropriated for the Jail Allotment and Restricted Medical programs are distributed to each county based upon the formula in KRS 441.206.

The Jailer's Allowance program, pursuant to KRS 441.115, trains jailers and jail personnel. No fee is charged for this training. Three hundred dollars (\$300) per month is paid to jailers to help defray the costs of participation in this training program. Expense allowance payments are discontinued if the jailer fails to satisfactorily complete annual continuing training.

The Catastrophic Medical program, pursuant to KRS 441.045, provides funds that assist counties with costs of providing necessary medical, dental, or psychological care beyond routine care and diagnostic services. When the cost of providing such services exceeds \$1,000, the county is reimbursed. Initial reimbursements are limited by the maximum payments allowed for services under the Kentucky Medical Assistance Program.

The Local Corrections Assistance Fund, pursuant to KRS 196.288 provides funding to counties based upon 25% of the estimated savings resulting from changes in HB463.

Policy

Notwithstanding KRS 441.115(2), the Budget of the Commonwealth provides each jailer shall receive an expense allowance of \$2,400 annually, at the rate of \$200 per month for participation in the Jail Staff Training Program.

The <u>Budget of the Commonwealth</u> includes General Fund appropriation of \$880,000 each fiscal year to provide a monthly payment of an annual amount of \$20,000 to each county with a Life Safety or Closed Jails Program. The payment shall be in addition to the payment required by KRS 441.206(2).

Notwithstanding KRS 196.288, \$4,630,200 in each year of the biennium is allocated to the Local Corrections Assistance Fund.

The <u>Budget of the Commonwealth</u> includes General Fund appropriation in the amount of \$792,800 in each fiscal year for medical care contracts to be distributed, upon approval of the Department of Corrections, to counties by the formula codified in KRS 441.206, and \$851,800 in each fiscal year, on a partial reimbursement basis, for medical claims in excess of the statutory threshold pursuant to KRS 441.045.

The United States and Kentucky Constitutions provide to all Americans the right to the assistance of counsel when they are charged with a crime. Those same constitutional provisions mandate that all persons who cannot afford an attorney and are charged with a crime that carries a potential loss of liberty be provided with an attorney by the state. The Kentucky Department for Public Advocacy (DPA) was established in KRS Chapter 31 to provide representation for indigent persons accused of crimes (or mental states) which may result in their incarceration. Kentucky's mandated public defender services are delivered by a system consisting of full-time employed public defenders and private attorneys contracting with the Department to provide services primarily in situations involving conflicts of interest. The Department, under the direction of the Public Advocate, is attached to the Justice and Public Safety Cabinet for administrative purposes.

The Public Advocacy Commission is a 12 person governing board consisting of the Dean or designee from each of the three Kentucky law schools, three members appointed by the Governor from recommendations of the Kentucky Bar Association, one member from recommendations by the Protection and Advocacy Advisory Boards, three members atlarge. Two members are appointed by the Kentucky Supreme Court. The Commission insures the Department's ability to provide independent professional representation of individual clients according to the American Bar Association Ten Principles of a Public Defense Delivery System (2002).

The Office of the Public Advocate is responsible for the oversight of the agency and includes the Public Advocate, Deputy Public Advocate, General Counsel and all strategic planning and litigation education functions.

The Law Operations Division provides budget, personnel, administrative, technology, facility oversight, library services, research, archive services and management support for the Department and its offices across the state.

The Trial Division represents all needy persons accused of crimes punishable by loss of liberty, persons accused of juvenile delinquency and status offenses, and all needy persons faced with involuntary commitments due to mental state or condition in all of Kentucky's 120 counties. This includes district, circuit, drug, juvenile, mental health, veterans and family court venues.

The Post-Trial Division provides mandated defender services for indigent persons after conviction. These services include providing counsel to indigent persons on appeal to the KY Supreme Court and Court of Appeals, to incarcerated persons on post-conviction actions in state and federal court, and to all juveniles in treatment facilities.

Kentucky Protection & Advocacy (P&A), a division within the Department of Public Advocacy attached to the Department for administrative purposes only, was established pursuant to Public Law 99-319 (42 USC 10805 *et seq.*), Public Law 106-402 (42 USC § 15042 *et seq.*), and KRS 31.010 (2). P&A seeks legal, administrative, and other appropriate remedies to protect and promote the rights of Kentuckians with disabilities. The majority of funds in this division's budget are federal funds that have strict non-supplanting requirements.

Policy

The <u>Budget of the Commonwealth</u> includes a current year General Fund appropriation of \$3,800,000 in fiscal year 2017-2018 to cover a cumulative shortfall that has accrued since fiscal year 2016 resulting from declining revenues, rising fixed costs and to support rising caseloads.

The <u>Budget of the Commonwealth</u> includes General Fund resources in the amount of \$6,178,400 in fiscal year 2018-2019 and \$6,221,200 in fiscal year 2019-2020 to support rising caseloads.

The <u>Budget of the Commonwealth</u> includes General Fund resources in the amount \$791,100 in fiscal year 2018-2019 and \$798,500 in fiscal year 2019-2020 to expand Alternative Sentencing Worker Program.
